خاتون جنت کا طرز حیات خواتین کیلئے مشعل راہ ہے: اکبر قتشبندی

حضرت سیدہ فاطمۃ الزہراؓ کی سیرت پر عمل کر کے خواتین دنیا و آخرت میں کامیاب ہو سکتی ہیں

گوجرانوالہ (نمائندہ خصوصی) مذہبی اور قومی اتحاد کے مرکزی سیکرٹری اطلاعات الحاج مولانا محمد اکبر قتشبندی نے کہا ہے کہ حضرت سیدہ فاطمۃ الزہراؓ کی سیرت پر عمل کر کے ہی معاشرتی بگاڑ کا خاتمہ ممکن ہے۔ خاتون جنت کا طرز حیات خواتین اسلام کیلئے مشعل راہ ہے۔ آج کی عورت کو کامیاب ہونا ہے تو انہیں اپنا مطمح نظر اپنے رب کو بنانا ہوگا۔ حضرت سیدہ کا کردار ہی عورتوں کے لئے مشعل راہ ہے۔ انہوں نے کہا کہ حضرت سیدہ فاطمۃ الزہراؓ نے دنیا کو بتایا کہ عورت کا مقصد حیات اپنے رب کو راضی کرنا ہے۔ انہوں نے کہا کہ حضرت سیدہ فاطمۃ الزہراؓ کی سیرت پر عمل کر کے ہی معاشرتی بگاڑ کا خاتمہ ممکن ہے۔ دنیا کو معلوم کرنی ہے کہ ہمارے پاس اسلام کیسے مکمل ضابطہ حیات ہے۔ انہوں نے کہا کہ حضرت سیدہ کا مقام اتنا بلند ہے کہ ہم اس کو سمجھ نہیں سکت

NATIONAL

250 nursing colleges left in limbo as PN&MC deadlock halts inspections

FARWA NAQVI
ISLAMABAD

More than 250 private and public nursing colleges across Pakistan remain in limbo as their inspection files sit pending with the Pakistan Nursing & Midwifery Council (PN&MC), halting new admissions and stalling the entry of thousands of aspiring nurses into the healthcare workforce.

Despite repeated warnings about a national nursing shortage, stakeholders say bureaucratic paralysis, internal conflicts, and governance failures within the Council have effectively frozen the approval process. Investors who have poured lifetime savings into establishing nursing institutions report prolonged delays, repeated documentation demands, and years-long waits for inspection dates.

The crisis escalated when the President of Pakistan intervened on 28 September 2025, dissolving the Council's leadership and placing it under ministry oversight amid allegations of administrative irregularities. Hopes for reform were short-lived. A key meeting held on 20 January 2026 to elect a new President and Vice-President ended in a deadlock, leaving the regulatory body without functional leadership. The continued stalemate now threatens a reported $100 million investment aimed at modernizing nursing education infrastructure and expanding training capacity. Education leaders warn that further delays could jeopardize international confidence and undermine efforts to strengthen Pakistan's healthcare system.

College principals describe the approval process as "systemic punishment," with fully equipped campuses, qualified faculty, and prepared laboratories left idle while awaiting inspection clearance. With admissions stalled, classrooms remain empty and prospective students face uncertain futures.

Healthcare advocates argue that every delayed inspection translates into fewer trained nurses entering hospitals, intensifying pressure on already overcrowded wards. They call for urgent administrative reforms, transparent timelines, and immediate action to restore confidence in the regulatory framework.

Until leadership disputes are resolved and inspections resume, Pakistan's nursing education sector remains at a standstill - caught between declared workforce shortages and a regulatory bottleneck that continues to block the very solution it seeks.
