* The Annual Procurement Plan may be prepared on the assumption that total allocated budget of the current financial year (CFY) will be released

** Estimated Cost represents "Total Cost" of the contract. Where expected duration of a contract is more than one year and accordingly the total cost of the contract higher than the allocated budget for the CFY, then the remaining allocation of the budget will be provided in next years.

*** Procurement method means Open Competitive Bidding / Petty Purchases / Quotations / Direct Contracting / Negotiated Tendering.
