Dear Sirs,

4th AMENDMENT
OUR TENDER ENQUIRY NO.SN-4795/26
COVERING WELDING PLANT TWIN HOLDERS

Please refer to our subject noted tender enquiry and note the followings: -

The closing date of the subject noted tender enquiry has been extended till **16.11.2026.**

It is hereby informed that the **Public Procurement Regulatory Authority (PPRA) launched E-Pad Version-1 in June 2025.** Accordingly, all prospective vendors/bidders were advised through the Company's website and email communications to register their companies on E-Pad Version-1 in a timely manner.
Subsequently, **PPRA launched E-Pad Version-2 in April 2026.** However, PPRA has now advised in **September 2026** that, with effect from now onward, **all International/Import tender enquiries and related bidding processes shall be processed through PPRA E-Pad Version-1.**
Accordingly, you are requested to register/create login credentials on the PPRA E-Procurement Portal through the following link: http://eprocure.gov.pk/

In this regard, bidders are required to comply with the following submission requirements:

Soft Copies of Bids: The Technical and Financial Bids shall be uploaded by the bidder on PPRA E-Pad Version-1 within the specified deadline.
Hard Copies of Bids: Hard copies of the Technical and Financial Bids shall also be submitted in accordance with the tender requirements and the existing practice.
Original Bid Bond: The original Bid Bond/Bid Security must be attached with the Original Technical Bid. Failure to submit the original Bid Bond as required shall render the bid non-responsive and liable to rejection.
Mandatory E-Pad Submission: Submission of hard copies alone shall not be considered sufficient. In case the Technical and Financial Bids are submitted in hard copy but are not uploaded on PPRA E-Pad Version-1 within the prescribed deadline, the bid shall not be considered for further evaluation/opening.
Completeness of Bid: The submitted Technical and Financial Bids must be complete in all respects and shall strictly comply with the Tender Terms & Conditions, Technical Specifications, Bid Evaluation Criteria, and all other requirements specified in the tender documents. No clarification, confirmation, additional document, or supplementary information shall be sought or accepted from the bidder after the opening of bids. Therefore, bidders are advised to ensure that all required information and supporting documents are duly provided with their bids at the time of submission.
Consistency of Soft and Hard Copies: The soft copies of the Technical and Financial Bids uploaded on PPRA E-Pad Version-1 must be identical to the corresponding hard copies submitted by the bidder. Any discrepancy, inconsistency, omission, or deviation between the soft and hard copies may render the bid non-responsive.
Any reservations or requests for clarification regarding the tender terms or specifications may be submitted up to three days before the tender closing date, instead of the seven days specified in Clause No. 15 of the SOR.

All other terms and conditions of the tender enquiry shall remain unchanged.
