AGREEMENT

This Agreement is made on this day of 25.09.2026 at Warcha between:
Pakistan Mineral Development Corporation duly incorporated in Pakistan, with its registered office located at 13-H/9, Islamabad (hereinafter to referred as "First Party"), which expression shall include its successors and assigns, through its Project Manager, Salt Mines, Warcha.

And

M/s. Azeem Enterprises Warcha Road Quaidabad (hereinafter to be referred as "Second Party") which expression shall include its successors and assigns.

Witnessed that;

Whereas the "First Party" invited tenders through press for award of contract for transportation of approximately 30,000 M Tonnes salt through tractor trolleys from Jansukh Mine 47 to PMDC Salt Depot Warcha and M/s. Olympia Chemicals.

And Whereas

The Second Party submitted offer and the First Party have accepted the same on the terms and conditions mentioned here-in below:

The second Party will transport salt to be produced from Jansukh Mine No. 47 to PMDC Salt Depot Warcha and M/s. Olympia Chemicals as per following schedule:

S.NO	DESCRIPTION	Annual target (MT)	Monthly target (MT)	Daily target (MT)	Quoted Rate (MT) as on 18.09.2026 Diesel Price 424.92
a.	Transportation of good quality Rock Salt (i.e. loading of boulders/lumpy size rock salt and mixing of fines (locally called "soor" will not be acceptable) from Jansukh Mine No. 47 to Warcha Depot including loading & unloading.	27,500	9167	353	Rs.485/-
b.	Transportation of industrial quality Rock Salt from Jansukh Mine No. 47 to M/s. Olympia Chemicals (Direct) including loading & unloading.	25,00	834	33	Rs.600/-

The first party reserves the right to increase or decrease the agreed quantity of salt at any stage as per requirement.

1. The contract will be for a period of three months w.e.f. 18.09.2026 to 17.12.2026 (further extendable on mutual consent with effect from date of issuance of work order). If found in the best interest of the PMDC basing on ground realities. However, at the end of contract year, contractor will be bound to continue the contract for one month on same terms & conditions for processing of new tender, if required by the 1st party.

2. The rates quoted by the second party are inclusive of all expenses such as cost of investment, cost of diesel, fuel and all other expenses incidental to or connected with the transportation and unloading of salt. The First Party will not take care of any demand /request from the Second Party to increase the transportation rate in any case except the demand is on account of increase in the price of diesel oil. However, in order to meet the ends of justice, the Second Party will get the benefit of increase in the same proportion of increase in the diesel rate. But on the other hand, in the case of decrease in the price of diesel, the First Party will also get the benefit and the above mentioned per tonne rate will also be reduced in the same proportion. For this purpose the prevailing diesel rate of Rs.424.92 per litre on 18.09.2026 will be treated as base for revision of the transportation rate under this agreement. Thus increase and decrease in the transportation rate on the basis of i.e. $\text{Re } \pm 1/-$ in diesel rate will result into $\text{Rs. } \pm 0.41$ and $\text{Rs. } \pm 0.55$ from Jansukh Mine 47 to Main depot/New Depot and M/s. Olympia Chemicals (direct) respectively.
3. The Second Party will be bound by the instructions of the Project Manager, PMDC Salt Mines, Warcha. If the Second Party stops the work, slows down the pace of work, commits theft/ pilferage, involves in dishonesty and does not comply with any clause of this agreement, the Project Manager will be at liberty to cancel the contract on giving 15 days notice and to carry out the left over work on the risk and cost of the 2nd party.
4. In case the first party decides to withdraw from the contract, it will give one month notice to the second party. In case the second party decides to withdraw from the contract, it will also give one month notice to the first party and will not be entitled to any compensation.
5. The second party will produce his manpower for medical check-up to PMDC Medical Officer and only the medically fit person(s) will be allowed to work. It will be the responsibility of the second party to remove immediately any worker who is unfit or he has been declared as persona-non-grata or against whom there is a complaint or he is involved in any criminal case. The second party shall furnish the list of his workers before hand to the first party who are declared medically fit and also eligible to work under this clause. The change in workers will also be intimated by the Second Party to the First Party beforehand. In case any driver/helper or the labourer creates hindrance in the work, the Second Party shall be bound to remove such person(s) from the work if asked by Project Manager/ Mine Manager or any other person engaged in the mine on supervision of the work.
6. Loading of tractor trolleys at Jansukh mine no. 47 will be arranged by the 2nd party including loading & unloading at Warcha depot will be arranged by the 2nd party. The tractor trolleys in the case will be weighed at PMDC Salt Mines, Warcha depot weighbridge. The second party will be responsible for the shortage/theft/damages etc. if any, during the transit.
7. In case the new depot will be operational during the contract period, the contractor will be responsible for the transportation of rock salt up-to new depot.
8. The salt rejected will be stocked at the separate points and payment for transportation would be recovered from the 2nd party, for the said rejected quantity.
9. In the case of transportation less than the target as assigned, a penalty of Rs.100/- will be imposed on each tonne of salt transported short. The target will be fixed on monthly basis and penalty imposed accordingly. For this purpose, the last day of a month will be treated the date of determination of penalty. In case the default is of drastic nature and it appears that production activities will hamper, the PMDC shall be at liberty to carry out the transportation work on the risk and cost of the 2nd Party. If the default remains continued for one month and it is not removed within 10 days of the following month, the PMDC shall be at liberty to terminate the contract and forfeit the entire amount of the security money.

No Penalty will, however, be imposed if the required quantity of rock salt is not made available by PMDC for lifting at the production point.

(Contd.....P/3)

10. The payment of wages, compensation etc. in respect of the manpower including Drivers/Helpers and loading labours engaged by the Second Party, will be responsibility of the 2nd party. The Second Party will be bound to follow all the provisions of Labour Law as relevant in the case of manpower to be engaged by him in connection with the work under the contract. If for one reason or the other, the Second Party fails to fulfill his obligations under this contract and PMDC is supposed to incur any amount on this account, the Second Party shall indemnify the PMDC against all such payments
11. The payment of transportation charges of salt will be made on fortnightly basis on submission of bill duly verified by the Mine Manager and after effecting the recoveries of due amount, if any.
12. During the course of transportation of salt from Jansukh Mine No. 47 to dumping space, all the rates, taxes and levies etc. shall be borne by the 2nd Party.
13. The damages if any, caused during transit of salt to the tractor/ trolleys engaged by the 2nd Party, shall be borne by the 2nd Party.
14. The Second Party shall be bound to carry out work strictly in accordance with the provisions of Mine Act 1923 and other relevant Rules/ Regulations. The Second Party shall be responsible to take due care in respect of safety of the men to be engaged. He will provide safety helmets etc. to the Drivers/helpers and other laborers to be engaged by him.
15. The Second Party shall be required to deposit security money equivalent 02% of the total amount of the contract before signing the agreement. The security money will be refunded only on successful completion of the contract. The earnest money already deposited, will be adjusted against the security money, if desired by the 2nd party. The 2nd Party shall not be entitled to any profit / interest of the security money deposited by him with the First Party.
16. The Second Party will produce the registration books/ documents of at least 07 tractors with trolleys from Jansukh Mine No. 47 to depot & M/s. Olympia Chemicals (Direct) . set of photo copies of registration books/ documents of 07 Nos. Tractor Trolleys will remain with the project in record at all times during currency of the agreement, to check the physical availability of any tractor trolley. The 2nd party will provide trolleys as per HSE standard.
17. The Second Party shall be responsible to get the fitness certificates of tractor trolleys from 1st party's Workshop. Every tractor trolley shall be in fit condition and self-starting. Non-self starting tractor trolley shall not be allowed inside the mine.
18. That as per tender documents Rs.10/- per MT will be deducted from the bill of 2nd party for repair of road under supervision of the 1st party
19. That as per tender documents Rs.3/- per MT will be deducted from the bill of 2nd party on account of insurance fund.
20. Recovery from the carriage bills of the contractor on the basis of actual attendance of the labours as provided by the respective section Incharge will be made on account of EOBI contribution which will be deposited by PMDC on behalf of carriage contractor.
21. The quantity of Rock Salt to be transported can be increased or decreased by 10 % by the project management according to the demand.
22. The contractor shall be responsible for the loading and transportation of good quality Rock Salt i.e. boulders / lumpy size rock salt and mixing of fines (locally called "soon") will not be permissionable.

AGREEMENT

This Agreement is made on this day of 07.10.2026 at Warcha between:
Pakistan Mineral Development Corporation duly incorporated in Pakistan, with its registered office located at 13-H/9, Islamabad (hereinafter to referred as "First Party"), which expression shall include its successors and assigns, through its Project Manager, Salt Mines, Warcha.

And

M/s. Muhammad Sohail Hamza, House No.47, New Satellite Twon Quaidabad District Khushab (hereinafter to be referred as "Second Party") which expression shall include its successors and assigns.

Witnessed that;

Whereas the "First Party" invited tenders through press for award of contract for transportation of approximately 6850 M Tonnes salt through tractor trolleys from Jansukh Mine 59 to PMDC Salt Depot Warcha and M/s. Olympia Chemicals.

And Whereas

The Second Party submitted offer and the First Party have accepted the same on the terms and conditions mentioned here-in below:

The second Party will transport salt to be produced from Jansukh Mine No. 59 to PMDC Salt Depot Warcha and M/s. Olympia Chemicals as per following schedule:

S.NO	DESCRIPTION	Annual target (MT)	Monthly target (MT)	Daily target (MT)	Quoted Rate (MT) as on 18.09.2026 Diesel Price 424.92
a.	Transportation of good quality Rock Salt (i.e. loading of boulders/ lumpy size rock salt and mixing of fines (locally called "soor" will not be acceptable) from Jansukh Mine No. 59 to Warcha Depot including loading & unloading.	6100	2034	78	Rs.487.59/-
b.	Transportation of industrial quality Rock Salt from Jansukh Mine No. 59 to M/s. Olympia Chemicals (Direct) including loading & unloading.	750	250	10	Rs.620.59/-

The first party reserves the right to increase or decrease the agreed quantity of salt at any stage as per requirement.

- The contract will be for a period of three months w.e.f. 18.09.2026 to 17.12.2026 (further extendable on mutual consent with effect from date of issuance of work order). If found in the best interest of the PMDC basing on ground realities. However, at the end of contract year, contractor will be bound to continue the contract for one month on same terms & conditions for processing of new tender, if required by the 1st party.

2. The rates quoted by the second party are inclusive of all expenses such as cost of investment, cost of diesel, fuel and all other expenses incidental to or connected with the transportation and unloading of salt. The First Party will not take care of any demand /request from the Second Party to increase the transportation rate in any case except the demand is on account of increase in the price of diesel oil. However, in order to meet the ends of justice, the Second Party will get the benefit of increase in the same proportion of increase in the diesel rate. But on the other hand, in the case of decrease in the price of diesel, the First Party will also get the benefit and the above mentioned per tonne rate will also be reduced in the same proportion. For this purpose the prevailing diesel rate of Rs.424.92 per litre on 18.09.2026 will be treated as base for revision of the transportation rate under this agreement. Thus increase and decrease in the transportation rate on the basis of i.e. $\text{Re } \pm 1/-$ in diesel rate will result into $\text{Rs.} \pm 0.41$ and $\text{Rs.} \pm 0.55$ from Jansukh Mine 59 to Main depot/New Depot and M/s. Olympia Chemicals (direct) respectively.
3. The Second Party will be bound by the instructions of the Project Manager, PMDC Salt Mines, Warcha. If the Second Party stops the work, slows down the pace of work, commits theft/ pilferage, involves in dishonesty and does not comply with any clause of this agreement, the Project Manager will be at liberty to cancel the contract on giving 15 days notice and to carry out the left over work on the risk and cost of the 2nd party.
4. In case the first party decides to withdraw from the contract, it will give one month notice to the second party. In case the second party decides to withdraw from the contract, it will also give one month notice to the first party and will not be entitled to any compensation.
5. The second party will produce his manpower for medical check-up to PMDC Medical Officer and only the medically fit person(s) will be allowed to work. It will be the responsibility of the second party to remove immediately any worker who is unfit or he has been declared as persona-non-grata or against whom there is a complaint or he is involved in any criminal case. The second party shall furnish the list of his workers before hand to the first party who are declared medically fit and also eligible to work under this clause. The change in workers will also be intimated by the Second Party to the First Party beforehand. In case any driver/helper or the labourer creates hindrance in the work, the Second Party shall be bound to remove such person(s) from the work if asked by Project Manager/ Mine Manager or any other person engaged in the mine on supervision of the work.
6. Loading of tractor trolleys at Jansukh mine no.59 will be arranged by the 2nd party including loading & unloading at Warcha depot will be arranged by the 2nd party. The tractor trolleys in the case will be weighed at PMDC Salt Mines, Warcha depot weighbridge. The second party will be responsible for the shortage/theft/damages etc. if any, during the transit.
7. In case the new depot will be operational during the contract period, the contractor will be responsible for the transportation of rock salt up-to new depot.
8. The salt rejected will be stocked at the separate points and payment for transportation would be recovered from the 2nd party, for the said rejected quantity.
9. In the case of transportation less than the target as assigned, a penalty of Rs.100/- will be imposed on each tonne of salt transported short. The target will be fixed on monthly basis and penalty imposed accordingly. For this purpose, the last day of a month will be treated the date of determination of penalty. In case the default is of drastic nature and it appears that production activities will hamper, the PMDC shall be at liberty to carry out the transportation work on the risk and cost of the 2nd Party. If the default remains continued for one month and it is not removed within 10 days of the following month, the PMDC shall be at liberty to terminate the contract and forfeit the entire amount of the security money.
No Penalty will, however, be imposed if the required quantity of rock salt is not made available by PMDC for lifting at the production point.

10. The payment of wages, compensation etc. in respect of the manpower including Drivers/Helpers and loading labours engaged by the Second Party, will be responsibility of the 2nd party. The Second Party will be bound to follow all the provisions of Labour Law as relevant in the case of manpower to be engaged by him in connection with the work under the contract. If for one reason or the other, the Second Party fails to fulfill his obligations under this contract and PMDC is supposed to incur any amount on this account, the Second Party shall indemnify the PMDC against all such payments
11. The payment of transportation charges of salt will be made on fortnightly basis on submission of bill duly verified by the Mine Manager and after effecting the recoveries of due amount, if any.
12. During the course of transportation of salt from Jansukh Mine No. 59 to dumping space, all the rates, taxes and levies etc. shall be borne by the 2nd Party.
13. The damages if any, caused during transit of salt to the tractor/ trolleys engaged by the 2nd Party, shall be borne by the 2nd Party.
14. The Second Party shall be bound to carry out work strictly in accordance with the provisions of Mine Act 1923 and other relevant Rules/ Regulations. The Second Party shall be responsible to take due care in respect of safety of the men to be engaged. He will provide safety helmets etc. to the Drivers/helpers and other laborers to be engaged by him.
15. The Second Party shall be required to deposit security money equivalent 02% of the total amount of the contract before signing the agreement. The security money will be refunded only on successful completion of the contract. The earnest money already deposited, will be adjusted against the security money, if desired by the 2nd party. The 2nd Party shall not be entitled to any profit / interest of the security money deposited by him with the First Party.
16. The Second Party will produce the registration books/ documents of at least 07 tractors with trolleys from Jansukh Mine No. 59 to depot & M/s. Olympia Chemicals (Direct) . set of photo copies of registration books/ documents of 07 Nos. Tractor Trolleys will remain with the project in record at all times during currency of the agreement, to check the physical availability of any tractor trolley. The 2nd party will provide trolleys as per HSE standard.
17. The Second Party shall be responsible to get the fitness certificates of tractor trolleys from 1st party's Workshop. Every tractor trolley shall be in fit condition and self-starting. Non-self starting tractor trolley shall not be allowed inside the mine.
18. That as per tender documents Rs.10/- per MT will be deducted from the bill of 2nd party for repair of road under supervision of the 1st party
19. That as per tender documents Rs.3/- per MT will be deducted from the bill of 2nd party on account of insurance fund.
20. Recovery from the carriage bills of the contractor on the basis of actual attendance of the labours as provided by the respective section Incharge will be made on account of EOBI contribution which will be deposited by PMDC on behalf of carriage contractor.
