effectively safeguarded, urging the international community to work collectively to alleviate the suffering of civilians affected by the conflict. Li emphasized that discussions within the Human Rights Council should remain strictly within its mandate while fully respecting Sudan's sovereignty, national unity and territorial integrity. She also urged the council to give due consideration to the views and aspirations of the Sudanese people, stressing that sustainable peace could only be achieved through dialogue, negotiation and a political process led by the people of Sudan. Reaffirming China's consistent position, Li said the international community should facilitate a lasting and peaceful resolution to the crisis through constructive engagement rather than external interference.

Aurangzeb sees \$42b remittances, says economy shifts towards sustainable growth

KARACHI
STAFF CORRESPONDENT

Finance Minister Senator Muhammad Aurangzeb on Tuesday said Pakistan's economy had ended the last fiscal year on a strong footing, expressing confidence that workers' remittances would reach a record \$41-42 billion, while foreign exchange reserves were expected to close at around \$18.4 billion. Addressing the second edition of the Pakistan Banking Summit 2026, the finance minister said the country's current account remained robust, largely driven by unprecedented remittance inflows. "We expect total remittances this year to close between \$41 billion and \$42 billion," he said. Highlighting key economic indicators, Aurangzeb said
