**Aseefa terms BISP lasting reflection of Benazir's vision**

By Asim Yasin  
 ISLAMABAD: First Lady Bibi Aseefa Bhutto Zardari has said that the Benazir Income Support Programme (BISP) stands as a lasting reflection of the vision of Shaheed Mohtama Benazir Bhutto to provide support and opportunity to vulnerable segments of society. She appreciated the efforts being made to strengthen transparency, financial inclusion and service delivery through ongoing reforms and emphasized that effective social protection programmes play a vital role in supporting deserving families and enabling women to participate more fully in economic and social life. Aseefa attended a briefing by Chairperson BISP Shereen

Rubina Khalid and Secretary BISP Amir Ali Ahmed at Parliament House on Monday, where she was given a comprehensive overview of the programme's progress, ongoing reforms and impact on deserving families across the country. As per the briefing, Rs716 billion has been allocated for BISP during the financial year 2020-21, with a proposed budget of Rs844 billion for 2020-27. Under the Benazir Kafalat Programme, quarterly cash assistance of Rs14,500 is currently being provided to 12 million households, with plans to increase the stipend to Rs18,000 from January, 2021. Under the Benazir Taleemi Wazaif Programme, educational support is being extended to 12.4 million children linked to a minimum 70 per cent school attendance condition, while the Benazir Nushonuma Programme is providing assistance to approximately two million pregnant and lactating women and children under the age of two. Additionally, 50,000 adolescent girls are additionally included under a pilot phase. Besides, the Benazir Hunarmand Programme—launched by President Asif Ali Zardari and First Lady Bibi Aseefa Bhutto Zardari—is providing free skills training to deserving individuals, with more than 7,000 already enrolled in the programme. On the digital front, more than 10 million beneficiaries are being connected to the formal financial system through Digital Social Protection Waivers under the Prime Minister's Cashless Economy initiative, with more than 8.5 million free SIMs distributed and linked to wallets, and over 110,000 beneficiaries having received digital and financial literacy training. It was highlighted that the National Socio-Economic Registry contains data on 28.7 million households—29 million households have updated their information under the Dynamic Registry, and the recent re-certification exercise and First Lady Bibi Aseefa Bhutto Zardari has identified more than 3.5 million new potentially eligible individuals. The first lady was also apprised of a World Bank study which found that BISP supports over 10.3 million families, covering approximately 24 per cent of Pakistani households and that for every one rupee disbursed, \$2.54 in real income is generated through multiplier effects in local economies.

The study further found that 68 per cent of total income gains accrue to the poorest 40 per cent of households and that the programme supports 1.66 million full-time equivalent jobs. The briefing noted that economic activity generated by BISP returns an estimated Rs174 billion annually to the national exchequer. In her welcome remarks, Chairperson BISP Senator Rubina Khalid said that the programme, launched and established by President Zardari in 2008 following the vision of Shaheed Mohtama Benazir Bhutto, was a practical manifestation of her commitment to dignified social protection for vulnerable segments of society, adding that BISP was moving beyond cash assistance towards an integrated, digital and empowering social protection system. Deputy Speaker National Assembly Syed Ghulam Mustafa Shah, MNA Ms Shazia Marri and MNA Mir Muhammad Ali Talpur, Chairman of the National Assembly Standing Committee on Poverty Alleviation and Social Safety, were also present on the occasion.

**PPGL crowned brand of the year 2020 in LPG category**

KARACHI: Parco Pearl Gas (PPGL) was awarded the Brand of the Year Award 2020 in the LPG category. The award recognizes PPGL's continued commitment towards delivering excellence, innovation, and reliability in Pakistan's LPG sector. The prestigious ceremony was held in Karachi, bringing together leading brands and industry stakeholders from across the country. The award was received by Omar Khan, Head of Marketing, Parco Pearl Gas, from the honourable Federal Minister of Board of Investment, Qasim Ahmad Sheikh, celebrating the company's growing impact and contribution towards providing safe, efficient, and customer-focused energy solutions.
