

TENDER ADVERTISEMENT FOR SOLARIZATION OF INSTITUTIONS

PUBLIC NOTICE

Publication: 19 October 2026. **Electronic bids are invited through EPADS** from eligible, experienced firms for the supply, installation, testing and commissioning of complete solar power systems at the following institutions:

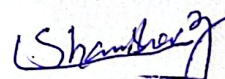

Ser.	Institution / location	Capacity(kW)
1	FG PS RD Mona	12

- 1. Eligibility:** FBR/NTN, applicable PEC registration and solar-installer certification, relevant experience and non-blacklisting, as specified in the bidding documents.
- 2. Procedure:** Open competitive bidding, Single Stage–Two Envelope, under the Federal Public Procurement Rules, 2026; package-wise evaluation and award as per published criteria.
- 3. Bid security:** 3% of the approved estimated package cost (fixed PKR amount and acceptable instrument in bidding documents); bid validity: 120 days.
- 4. Documents:** Available on EPADS from 19 October 2026 until bid closing, with BOQ, technical specifications, qualification and evaluation criteria.
- 5. Closing/opening:** 03 November 2026 at 11:00 AM (EPADS submission); technical proposals open the same day at 11:30 AM. Financial opening will be notified to technically responsive bidders.
- 6. Completion/warranties:** 14 working days per site from work order. Solar panels: 12-year product/25-year performance; inverter: 5 years; system/workmanship: 1 year. Battery warranty, if applicable, per BOQ.
- 7. Other conditions:** The procuring agency may reject/cancel the process only in accordance with applicable PPRA Rules; detailed terms and conditions govern.
