

TENDER NOTICE

Hiring of IT Firm for Development of Centralized Digital Data Management System for Pakistan Tobacco Board (PTB)

Pakistan Tobacco Board (PTB) currently relies on a manual and fragmented system for collection, compilation, and monitoring of crop, procurement, cess, and stakeholder data. Crop estimates, yield assessments, procurement data, and cess records are collected manually through field visits, physical forms, and spreadsheets, resulting in delays in reporting, data inconsistencies, limited traceability, and lack of real-time operational visibility

PTB intends to hire a registered firm to develop a centralized digital platform comprising mobile applications (IOS & Android), web-based portals, centralized database, and executive dashboards for collection, reporting, monitoring, and analytics of tobacco sector data. At initial stage, the system shall focus on digital data collection, reporting, monitoring, and analytics.

Detail information about organization is available on website: www.ptb.gov.pk. Bidding documents containing detail term and conditions, item-wise specification, procedure for submission of bids, bids security etc may be obtained from office of the Deputy Secretary Admn or download from PPRA website: www.ppra.org.pk or www.ptb.gov.pk.
