INVITATION TO BID

- 1- NationalGrid - Pakistan [Formerly NTDC] "the Employer", responsible for development and control of power transmission system in the country, invites sealed bids through "Single Stage Two Envelope Procedure" on National Competitive Bidding (NCB) basis from eligible firms as defined under IB-3 of Instructions to Bidders of the Bidding Documents, registered with Income Tax and Sales Tax Departments and who are on Active Taxpayers List of the Federal Board of Revenue (if applicable) for following scope of work:-

Tender No.: D(P)-EHV-II-NGC-HYD-03-2026

Name of Assignment: Detailed Route Survey and Engineering/Design for Rerouting of Existing 500 kV and 220 kV Transmission Lines Affected by the Proposed Sukkur-Hyderabad Motorway (M-6).

- 2- **Scope of Services:** The assignment includes detailed route alignment and topographic surveys, soil/subsoil investigations, tower spotting and make-up, preparation of plan and profile drawings, foundation design, sag-tension and stringing charts, electrical clearance calculations, bill of quantities (BOQ), construction drawings and complete engineering/design documentation for rerouting the affected transmission lines, as detailed in the Tender Document.

3- **Qualification and Experience:**

The consultant shall meet the eligibility, qualification and technical evaluation requirements specified in the Tender. The following relevant experience requirements are proposed, subject to confirmation and incorporation into the approved qualification criteria:

- The lead consultant or the relevant JV/consortium member shall have successfully completed, during the last ten (10) years, one or more contracts involving route alignment survey or check survey of 220 kV or higher-voltage overhead transmission lines, with an aggregate surveyed length of at least 100 km & one or more contracts involving soil/subsoil investigation for 220 kV or higher-voltage overhead transmission lines, with an aggregate investigated length of at least 100 km.
- The consultant shall provide documentary evidence of the claimed experience, including relevant contract agreements, scope of services, completion or substantial completion certificates, client references and other supporting documents required under the Tender.
- Experience claimed through a JV, consortium or subcontract arrangement shall be supported by documentary evidence establishing the firm's actual participation and the services performed under the relevant contract.
- Documents issued in a language other than English shall be accompanied by an authenticated English translation, where required under the Tender.

4- **Personnel, Survey Equipment and Technical Resources:**

The consultant shall demonstrate that it possesses, or has secured access to, suitably qualified professional personnel, survey equipment, geotechnical investigation equipment, software and other technical resources necessary for the satisfactory performance of the assignment.

Details of the required key experts, minimum qualifications, professional experience, equipment and supporting evidence shall be specified in the TOR and the qualification and evaluation criteria of the Tender.

- 5- The complete Tender, including the Terms of Reference, selection method, evaluation criteria, proposal security requirements and contract conditions, shall be available through EPADS 2.0 and the relevant PPRA portal, as applicable. Consultants shall submit their proposals electronically in accordance with the published Tender and EPADS instructions.

- 6- **Bid Security:** PKR 600,000 (Pakistani Rupees Six Hundred Thousand only), in the prescribed form and manner of Tender.

- 7- The copy of Bidding Documents along with Bid security should reach at the address of Director (Projects)-Hyderabad before submission Deadline.

- 8- **Proposal Submission Deadline:** 16 November 2026 at 10:00 hours (Pakistan Standard Time).

- 9- **Technical Proposal Opening:** 16 November 2026 at 11:30 hours (Pakistan Standard Time), in accordance with the prescribed procedure.

10- **ELIGIBILITY & SALE OF TENDER:**

A. Income Tax clearance certificate & return filed with Income Tax Department for financial year 2024-2025.

B. Registered with Income Tax and Provisional Sales Tax Departments and who are on Active Taxpayers List of the Federal Board of Revenue and registered with PEC in appropriate category as per NGC specifications and renewed / valid up to date in the relevant category with original certificate. (Details, types and quantities mentioned in the bidding document).

C. All the Govt. taxes (Federal / Provincial) will be applicable as per relevant Govt. Notifications.

11- **CONDITIONS:**

A. NGC will award the contract to the lowest evaluated and technically responsive bidder on overall basis.

B. The NGC / Employer have the right to reject all bids as per PPRA Rule # 33 (1) of Public Procurement Rules 2004.

C. Each page of the bidding documents / drawings shall be signed and stamped by the bidder.

- 12- Proposals shall be evaluated and the contract awarded in accordance with the selection method and criteria specified in the Tender. NGC reserves the right to reject any or all proposals or cancel the procurement in accordance with the applicable PPRA Rules, 2026.
