## Invitation for Bids

<b>Date:</b>	01 April 2026
<b>Loan No. and Title:</b>	L4567-PAK: Power Distribution Strengthening Project (PDSP)
<b>Contract No. and Title:</b>	<b>LESCO-EPC-002:</b> Procurement of Plant - Design, Manufacture, Supply, Installation, Testing and Commissioning of Asset Performance Management Systems (APMS) on 100 kVA and 200 kVA Distribution Transformers in selected areas of LESCO on EPC / turnkey basis
<b>Deadline for Submission of Bids:</b>	<b>21<sup>st</sup> May 2026 at 11:00 A.M. (Pakistan Standard Time)</b>

1. The Islamic Republic of Pakistan has received financing from the Asian Development Bank (ADB) toward the cost of **Power Distribution Strengthening Project (PDSP)**. Part of this financing will be used for payments under the contract named above. Bidding is open to Bidders from eligible source countries of ADB.
2. The Lahore Electric Supply Company Limited – LESCO (“the Employer”) invites sealed bids from eligible Bidders for the installation and completion of the **Procurement of Plant - Design, Manufacture, Supply, Installation, Testing and Commissioning of Asset Performance Management Systems (APMS) on 100 kVA and 200 kVA Distribution Transformers in selected areas of LESCO on EPC / turnkey basis (“the Facilities”)**.
3. The scope mainly includes design, manufacture, supply, delivery, installation, testing, commissioning, completion of works (where required) and services on turnkey/EPC basis, as detailed and specified in the Bidding Documents.
4. Bidders shall bid for complete scope of work, as detailed in the bidding documents. Bids having less than 100% of the LOT quantities of tender will not be accepted. The conditional bids / rates shall not be accepted. The Time for Completion from the Effective Date as described in the Bidding Documents, shall be **300 days**.
5. **Open competitive bidding (international advertisement)** will be conducted in accordance with ADB’s Single-Stage: One Envelope procedure and is open to all Bidders from eligible countries as described in the Bidding Document.
6. Only eligible Bidders with the following key qualifications defined in the Bidding Document may participate in this bidding:

Participation as a contractor, Joint Venture partner, or Subcontractor in at least Two (02) contracts inter alia for Design and Supply of an Asset Performance Management Systems (APMS) or Advance Metering Infrastructure Systems with integration of HES / MDC with MDM systems (for data integration and real time monitoring) that has been satisfactorily and substantially completed within the last Seven (07) years and operating successfully for at least One (01) year as of the bid opening date, that is similar in features of energy audit, remote disconnection, communication modem (PLC, GSM or any other communication

technology) etc., where the value of the Bidder's participation under each contract exceeds US\$ 3.2 Million. The similarity of the Bidder's participation shall be based on the physical size, nature of works, complexity, methods, technology, or other characteristics as described in Section 6, (Employer's Requirements).

***The eligibility and qualification requirements are more elaborately described in the Bidding Document.***

7. To obtain further information and inspect the Bidding Document, Bidders should contact:
