Haroon stresses coordinated effort to resolve issues facing SMEs

RECORDER REPORT
LAHORE: Special Assistant to the Prime Minister (SAPM) on Industries and Production, Haroon Akhtar Khan, chaired a high-level meeting regarding SMEDA clusters and the challenges faced by

Small and Medium Enterprises (SMEs) accessing international markets. The meeting was attended by the Additional Secretary for Industries and Production Asad Islam Mahni, CEO SMED Nadia J Seth, representatives from the Ministry of Foreign Affairs, a members of various SM clusters.

During the meeting, representatives of SME clusters expressed serious concern over visa-related issues faced while participating in international exhibition. They highlighted that various applications of SME representatives are often delayed, rejected, or remain pending which hampers Pakistan's effective representation on global platforms and limits the exposure of Pakistani products.

Addressing the concern, Haroon Akhtar Khan emphasised the need for coordinated efforts among SMEDA, the Trade Development Authority of Pakistan (TDAP), and the Ministry of Foreign Affairs to resolve visa-related challenges. He directed that concrete measures be taken to facilitate SMEs in participating in international exhibitions and conferences.

The SAPM also proposed the establishment of a dedicated facilitation desk for SMEs within the Ministry of Foreign Affairs to streamline visa processing and address related concerns efficiently.
