FOR THE PAKISTAN CRICKET BOARD (PCB)

FROM DECEMBER, 2026 TO 30th SEPTEMBER, 2028

ISSUED on 27th November, 2026

BY

PAKISTAN CRICKET BOARD

1. INTRODUCTION AND PURPOSE

1.1 The PCB is pleased to issue this Pre-Qualification Document ("**PQD**") to invite interested parties for the prequalification of vendors for X-Ray Services for Age Verification of U-15, U-17 & U-19 players (hereinafter "**X-Ray Services**") in two (02) categories, for PCB for a period commencing from December 2026 till 30th September, 2028, as more particularly detailed under Schedule 1. Applicants will be shortlisted for portable x-ray category & in-center x-ray category.

1.2 The pre-qualified parties may be invited to participate in the Bidding Process(es) for the award of the contract for provision of X-Ray Services to the PCB.

1.3 This PQD invites Applications from entities interested in the provision X-Ray Services from December 2026 to 30th September, 2028 from parties who have the relevant experience and technical expertise set out hereinbelow to be able to provide the quality services that the PCB requires.

1.4 Notwithstanding the foregoing, PCB is not obliged to hold any Bidding Processes and reserves the right to modify or cancel the pre-qualification process at any stage without assigning any reasons.

1.5 PCB is a statutory body established under the Sports (Development and Control) Ordinance, 1962 with the mandate for the development and management of cricket in Pakistan.

1.6 PCB desires to engage the most qualified and experienced service providers in the market to ensure the provision of X-Ray Services. The service providers shall be required to provide the X-Ray Services in the regions as outlined in Schedule 4 of this PQD.

The applicant must submit a combined bid for both Portable X-Ray Units and X-Ray Centers. Separate bids shall not be accepted and shall be rejected.

PCB may suspend or remove any pre-qualified applicant from the panel at any time during the pre-qualification period if, in PCB's reasonable opinion, the applicant fails to perform satisfactorily under any X-Ray Services Agreement, breaches any contractual obligation, fails to comply with applicable laws or safety requirements, submits false information, or otherwise acts in a manner prejudicial to PCB's interests. Such removal shall be without prejudice to any other rights or remedies available to PCB.

5.4 Conflict of Interes

(a) No Person who, during the instant bidding process, is a director, officer, controlling shareholder or authorized representative of the applicant (or of any joint applicant), or of any Affiliate of applicant, shall simultaneously be an employee, official, or member of the Board of Governors or any committee of PCB.

(b) The Application submitted in breach of sub-paragraph (a) shall be liable to summary rejection by PCB, unless the applicant has, prior to the Bid Submission Deadline, made full written disclosure of the relationship to PCB and PCB has, in its sole and unfettered discretion, confirmed in writing that the application may proceed, subject to such conditions (including recusal of the relevant PCB employee/official from the bidding process) as PCB considers appropriate.

(c) Each applicant warrants, as a condition of its application remaining valid, that the disclosures made under this clause are true & complete, and undertakes to notify PCB immediately of any change.

5.5 Responsibility for Regulatory Compliance

The successful Applicant shall be solely responsible for obtaining, maintaining and complying with all licenses, permits, approvals, clearances and statutory requirements necessary for the execution of the X-Ray Services throughout the execution of X-Ray Services.

5.6 Subcontracting or Assigning

Notwithstanding anything contained herein, the successful applicant shall not subcontract or assign the Services, unless expressly approved in writing by PCB.

5.7 No Guarantee of Award

Pre-qualification under this PQD shall merely establish a panel of eligible service providers and shall not confer upon any pre-qualified applicant any right, guarantee, expectation or entitlement to receive any work, contract, purchase order or minimum volume of business from the PCB.

The PCB may issue separate Request for Quotations (RFQs) or Requests for Proposals (RFPs), as the case may be, for different assignments, and only the pre-qualified applicants invited to participate therein shall be eligible to submit financial proposals.

5.8 Partnering between Applicants

Any prequalified Applicant shall be precluded from partnering (directly or indirectly) with another prequalified Applicant without the express written approval of PCB, who shall be free to accept or refuse at its discretion, and in all cases considering thelikely effects of the proposed partnering on the competitiveness of the Bidding Process.

A non-prequalified Applicant shall not be entitled to partner with a prequalified Applicant.

b) Any and all disputes arising out of or in relation to this PQD, any related documentation or correspondence, shall be referred to and finally resolved by the PCB Grievance Redressal Committee.

SCHEDULE 1

SCOPE OF SERVICES

The purpose of the Age Verification Program is to ensure that players participating in Under-Age cricket are competing in their respective age categories and that over-age players are not participating in Under-15 (U15), Under-17 (U17), and Under-19 (U19) competitions.

For this purpose, a radiological age-assessment program will be conducted throughout Pakistan for the U15, U17, and U19 categories.

For the U15 and U17 categories, 20 regional teams will participate. Depending on the circumstances, approximately 16–30 players per team may undergo X-ray examination. One wrist X-ray will be conducted for each player, and the X-rays will subsequently be assessed through the VISIANA software.

For the U19 category, the process will be conducted across 98 districts, covering 112 teams, with each team consisting of up to 30 players. Three X-rays—wrist, shoulder, and pelvis—will be performed for each player, and the X-rays will be forwarded to a qualified radiologist for age assessment.
