| 18. | The bidder will be required to upload separate tender documents in case they intend to quote alternate price and will also have to submit the required earnest money separately for each offer, failing to which their offer will be ignored straight away.                                                                                                             |
| 19. | The prices quoted in the tender should be firm and final, inclusive of all livable taxes and other charges etc. The bidder should also note that if during the course of contract any additional tax or duties etc. are levied, by the Government, it would be the sole responsibility of the firm to make the payment.                                                 |
| 20. | The quantity can be increased or decreased at the buyer's option.                                                                                                                                                                                                                                                                                                       |
| 21. | The bidder should also note that if the stores supplied / provided by him are rejected by the Inspection Officer / Purchase committee of NAB (Sukkur) and it is concluded that the rejection is justified under the terms and conditions of the contract, the decision of the Inspection Authority, regarding such rejection will be final and binding on the tenderer. |
| 22. | The bidders are required to submit only the genuine offers, after fulfilling the requirements of the tender inquiry. In case of a fake offer or where the offer contains misrepresentation, the same may not only be ignored but may also lead to his/ her black listing and forfeiture of his/ her earnest money.                                                      |
| 23. | The NAB authorities reserve the right to accept or reject any or all bids as per PPRA's rule.                                                                                                                                                                                                                                                                           |
