Details of work are as under:

S.No.	DESCRIPTION	ESTIMATED QUANTITY	
		MONTHLY M.T.	ANNUAL M.T.
a.	Rehabilitation, Development / Excavation and separation of good quality (Saleable) rock salt from Makrach Mine no. 04	210 M. T	2,520 M. T

TERMS & CONDITIONS

1. Electronic bid must be submitted on EPAD on or before **24.02.2026 at 11:00 AM** which will be opened on the same day at **11:30 AM** in the presence of tenderers or their representatives who desire to participate.
2. Bid Money of Rs. 100,000/- (Excavation only) in the form of pay order/demand draft made in the name of **Pakistan Mineral Development Corporation (PMDC) Salt Mines, Makrach** from any scheduled bank should accompany the bid/tender. Tender with less or without bid money (in the form of pay order/demand draft) or pay order/demand draft without the name of bidder shall not be considered.
3. Tender should remain valid for 90 days period from the date of opening tenders.
4. Tender with over-writing, cutting or conditional or by fax shall not be accepted. Unsigned tenders shall not be considered.
5. The successful contractor will sign contract agreement on the approved pattern for Excavation with the PMDC within 10 days of the receipt of acceptance letter.
6. The successful bidder will deposit security money equal to 05% of production target on excavation with PMDC which will be refunded to him on successful completion of the contract. However, the contractor will not be entitled for any profit/interest on the security deposit.
7. **The period of contract will be 03 years w.e.f date of issuance of work order and extendable for 02 years at the whole volition of corporation.**
8. The rate offered will be inclusive of all expenses such as cost of investment, cost of diesel, fuel and the expenses incidental to all connected with excavation of salt and development of mine towards virgin area.
9. The contractor will have to undertake all related work such as drivage of mine, maintenance of tunnel, inclines, crosscuts, galleries, airways, dead work, maintenance of tunnel mouth, stone drivage, pumping of water from the mine and proper lightning of mine etc.
10. **The excavation base rate (base rate is exclusive of all taxes, explosive component and other charge like EOBI and workmen compensation etc.) shall be**

subject to adjustment annually based on the percentage change in the Consumer Price Index (CPI) as published by the Pakistan Bureau of Statistics with maximum cap of 7%. The base CPI Shall be that of the month of contract signing. Price adjustments shall be made on each anniversary of the contract effective date (For Excavation Portion).

11. Explosives required by the contractor will be provided by the PMDC from its authorized magazine in such quantity based on actual production basis at actual cost (Rs. 320.37/- per Kg & Rs. 19.47/- per mtr.) plus service charges @10% and total cost will be recovered from the bill of the contractor. (For the calculation of explosive component, the powder factor @ 2.65/MT per Kg of Gun Powder and for Safety Fuse powder factor @ 1.57/MT per mtr. Will be considered as reference).
12. The excavation contractor is allowed to work in the allotted area of Mine no. 04 (current working) according to the development and exploitation plan and he shall also develop the 2nd entry as per plan given by the project management on priority, failing to which the contract will be forfeited.
13. The 2520 MT quantity of rock salt has been allocated for the 1st Year of the contract; however, it will be revised every year for the rest of the period as per the mine condition and as per the project demand.
14. The contractor will be responsible for any shortfall in quantity excavation of salt.
15. In case the contractor fails to excavate salt according to the assigned target, penalty @ Rs. 100/ MT will be imposed this will be recoverable from the contractor.
16. In case the contractor fails to fulfill contractual obligations, his contract will be cancelled and security money forfeited, and the work will be assigned to some other party/firm at the risk and cost of the contractor.
17. The contractor will follow/ be responsible for all the rules & regulations under labour law, payment of wages act, treatment in case of accident or injury of his workers during work. Recovery from the excavation bills of the contractor based on actual attendance of the laborers as provided by the respective section in charge will be made on account of EOBI contribution (both employee and employer) which will be deposited by PMDC on behalf of excavation contractor.
18. Gravel road repair and maintenance will be done by PMDC, however deduction of Rs. 05/MT will be made from edible salt quality from the excavation contractor for this purpose.
19. Rs. 07/MT as insurance fund will be deducted from the excavation bill of the contractor.
20. The contractor will be bound to sort good quality salt as per direction of site management.
21. The quantity of rock salt to be excavated can be increased or decreased by 10% by the project management Makrach in writing according to the demand.
22. The weighment carried out at PMDC Makrach Weighbridge shall be considered final for all purposes, and the payment made to the contractor each tones received on fortnightly or monthly basis after deduction of taxes and other recoveries if any.
23. Any unworkable rate appears to have been quoted for dislocation of work will not be considered.
24. Before commencement of work, the contractor will have to arrange medical check-up of all the laborers on a prescribed form and submit medical fitness certificate of each worker along-with copies of CNIC.
25. In case of any dispute including quality, tonnage, shortening or excess of tonnage, breach of official decorum, misleading statement and non-compliance of instructions, the matter will be referred to relevant competent authority in PMDC. In case the matter is not resolved, the MD, PMDC will be sole Arbitrator, and his decision will be final and binding on both the parties as per provision of Arbitration of Act, 1940.
26. The contractor will be bound to carry out work strictly in accordance with the provisions of Mines Act, 1923 and other relevant Rules/Regulations. The contractor shall be responsible for taking due care in respect of the people to be engaged and he will ensure safety measures and shall provide safety helmets etc. to the laborers to be engaged by him.

27. All Govt. applicable taxes i.e. GST, PRA and Income Tax and rate quotes shall be inclusive of all taxes. PRA will be charged on services. The contractor will submit copies of registration certificate with PRA & Income tax department on the date of opening of tenders.
28. Contractor/firm should have experience of relevant work & have to submit experience certificate (copy of work orders etc. to this effect).
29. Contractor/firm should be registered with local tax authorities and be incorporated under Pakistani law, proof of which should be attached with his bid.
30. Contractor/firm must be of sound financial health and shall provide certified bank statement covering last 12 months (prior to date of submission of bid).
31. Contractor/firm must provide a list of names of all of its owners, directors and management team along with their brief resumes.
32. Contractor/firm or any of its subsidiary companies or any of its directors/owners or any of their relatives (parents, children, brother and sister) should not be under litigation with PMDC in any local or foreign court.
33. Contractor/firm or any of its subsidiary companies or any of its directors/owners of their relatives (parents, children, brother, sister) should not have any ongoing, unresolved business dispute with PMDC. PMDC shall be the sole judge of fulfillment of this requirement.
34. Contractor / Firm that it, as a legal person, is not blacklisted by any Govt. Semi Govt. Department/organization and submit certificate to this effect.
35. In case the contractor / Firm is found guilty of any misstatement of term & conditions of tender documents, he will debar from entering into agreement under this tender and his bid money / Security money shall be forfeited.

HSE Clauses:

36. ***The contractor will be bound to appoint a qualified short firer who must have no vested interest in the salt excavation which will ensure neutral and professional approach, prioritizing safety over any other interest.***
37. ***The contractor will be bound to provide standardized PPEs (Helmets with torches, safety shoes, safety cloths, safety glasses, masks, noise muffs etc.)***
38. Checklist of documents is attached.

I agree to the above terms and conditions and give my acceptance irrevocably and unconditionally.

DUE FOR OPENING ON: 24.02.2026 AT 1130 HOURS

TENDER FOR LOADING AND TRANSPORTATION/CARRIAGE OF ROCK SALT FROM MAKRACH MINE NO. 04 AT PMDC SALT MINES, MAKRACH.

Electronic bids are invited from the interested parties/contractors, registered with Income Tax department & PRA department for loading and transportation/carriage of rock salt from Makrach Mine No. 04 for a period of one year. Details of work are as under:

S. No.	DESCRIPTION	ESTIMATED QUANTITY	
		MONTHLY M.T.	ANNUAL M.T.
a.	Loading and Transportation of good quality Rock Salt (i.e. loading of boulders/ lumpy size rock salt and mixing of fines (locally called "soor") will not be acceptable) from Makrach Mine No. 04 to Makrach Bhelawal Depot including loading & unloading. (Distance: 17 KM)	As per Requirement (In case of Emergency only, estimated quantity will not be more than as mentioned against Sr. No. c)	
b.	Loading and Transportation of good quality Rock Salt (i.e. loading of boulders/ lumpy size rock salt and mixing of fines (locally called "soor") will not be acceptable) from Makrach Mine No. 04 to Makrach Weighbridge including loading & unloading. (Distance: 07 KM)	As per Requirement (The estimated quantity shall not exceed 1,500 MT for the entire contract period of one (01) year. The actual quantity shall be subject to the dispatch requirements of salt to Ittehad Chemicals Limited (ICL) and the fulfillment of prescribed quality standards of the respective mine.)	
c.	Loading and Transportation of good quality Rock Salt from Makrach Mine No. 04 to M/s. LCI Khewra (Direct) including loading & unloading. (Distance: 37 KM)	100 M. T	1200 M. T

TERMS & CONDITIONS

1. Electronic bid must be submitted on EPAD on or before **24.02.2026 at 11:00 AM** which will be opened on the same day at **11:30 AM** in the presence of tenderers or their representatives who desire to participate.
2. Bid Money of Rs. 100,000/- (carriage only) in the form of pay order/demand draft made in the name of **Pakistan Mineral Development Corporation (PMDC) Salt Mines, Makrach** on from any scheduled bank should accompany the bid/tender. Tender with less or without bid money (in the form of pay order/demand draft) or pay order/demand draft without the name of bidder shall not be considered.
3. Tender should remain valid for 90 days period from the date of opening of tender.
4. Tender with over-writing, cutting or conditional or by fax shall not be accepted. Unsigned tenders shall not be considered.

5. The successful bidder will sign contract agreement on the approved pattern for Transportation/Carriage with the PMDC within 10 days of the receipt of acceptance letter.
6. The successful contractor will deposit security money equal to 05% of one year production target on Transportation/Carriage with PMDC which will be refunded to him on successful completion of the contract. However, the contractor will not be entitled to any profit/interest on this security deposit.
7. The period of contract will be one year w.e.f. date of issuance of work order.
8. The rate offered will be inclusive of all expenses such as cost of investment, cost of diesel, fuel and all the expenses incidental to all connected with the unloading and transportation of salt.
9. Every tractor-trolley will be weighed at weighbridge installed at PMDC Makrach Depot. The contractor will be responsible for any shortfall in quantity transported.
10. The quantity of Rock Salt to be transported can be increased or decreased by 10% by the Project Management according to the demand.
11. Loading of tractor-trolley at Makrach Mines and unloading at Makrach Bhelawal Depot / Makrach Weighbridge will be responsibility of the contractor while the LCI Khewra will do unloading at LCI Khewra. In case the new depot is operational during the contract period, the contractor will be responsible for the transportation of rock salt up-to new depot.
12. The contractor shall be responsible for the loading and transportation of good quality rock salt i.e. boulders / lumpy size rock salt and mixing of fines (locally called "soor") will not be acceptable.
13. In case the contractor fails to transport salt according to the assigned target, penalty Rs.100/- per ton will be imposed on shortfall quantity which will be recoverable from the contractor. The short quantity will be transported at risk and cost of the contractor.
14. In case the contractor fails to fulfill contractual obligations, his contract will be cancelled, and security money will be forfeited, and the work will be assigned to some other party/firm at the risk and cost of the contractor.
15. The contractor will have to arrange at least 01 number of trollies for Makrach Mine No. 04 all in good condition and will have to submit copies of registration of all these tractor-trollies on the date of opening of tenders.
16. The Contractor will follow/ responsible for all the rules & regulations under labour law, payment of wages act, treatment in case of accident or injury during work.
17. As stated in condition No. 8 above, the rate offered will be inclusive of all expenses such as cost of investment, cost of diesel, fuel and all other expenses incidental to or connected with the loading/unloading and transportation of Salt. PMDC will not take care of any demand/request from the contractor or increase the transportation in any case except the demand is on account of increase in the price of diesel oil. To maintain equity and justice, the PMDC and the contractor should get the benefit/bear burden in a way that in the case of increase the rate of diesel, the contractor should benefit by allowing in transportation rate in equal proportion. But in case of decrease in diesel rate, the contractor should bear the burden and PMDC will benefit by decreasing the transportation rate in the same proportion. For this purpose, the prevailing diesel rate on tender opening date will be treated as base rate for revision of the transportation rate, under the contract.
18. Recovery from the carriage bills of the contractor based on actual attendance of the laborers as provided by the respective section In charge will be made on account of EOBI contribution (both employees and employer) which will be deposited by PMDC on behalf of carriage contractor.

19. It will be the responsibility of PMDC for maintenance of road. However, deduction of Rs.10/- MT will be made for this purpose.
20. Rs.3/- per ton as insurance fund will be deducted from the carriage bill of the contractor.
21. In case of any dispute including quality tonnage shortening or excess of tonnage, breach of official decorum, misleading statement and non-compliance of written instructions, the matter will be referred to relevant competent authority. In case the matter is not resolved, the MD, PMDC will be sole Arbitrator, and his decision will be final and binding on both the parties as per provision of Arbitration of Act, 1940.
22. The contractor will be bound to carry out work strictly in accordance with the provisions of Mines Act, 1923 and other relevant Rules/Regulations. The contractor shall be responsible for taking due care in respect of the person(s) to be engaged and he will ensure safety measures and shall provide safety helmets, safety shoes etc. to the laborers to be engaged by him.

SPECIAL PROVISIONS FOR HSE:

- The tractor/trolleys deploy for carriage must have double brake system including rear trolleys of the tractors.
 - The 2nd party shall be responsible for getting fitness certificate from 1st party's workshop on monthly basis that includes condition of engine health, exhaust gases, integrity of toeing hook, tires, suspension system, braking system, transmission system, rear trolley body, hydraulic jack any other part/system inspection deem necessary by 1st party (PMDC)
 - Contractor shall ensure limiting high load movement during rainy/slippery conditions.
 - Contractor shall ensure that all drivers must have valid HTV license and are medically/mentally fit for the job with adequate experience to operate tractors/trolleys in hilly terrain.
 - Every tractor trolley shall be fit and self-starting.
 - Contractor shall provide necessary PPEs to all drivers/helpers of the tractor trolleys and ensure adherence to all HSE requirements.
 - The trolleys must have hydraulic unloading system.
 - The trolleys should not be overloaded in weight and volume (loaded material should be leveled with height of rear trolley) to control potential spill out during hauling process.
23. All Govt. applicable taxes i.e. GST, PRA and Income Tax and rate quoted should be inclusive of all taxes. PRA will be charged on services including carriage. The contractor will submit copies of registration certificate with PRA & Income department on the date of opening of tenders.
 24. Contractor/firm should have minimum 05 years' experience of relevant work & have to submit experience certificate (copy of work orders) to this effect.
 25. Contractor/firm should be registered with local tax authorities and be incorporated under Pakistani law evidence should be attached with bids.
