- 2.1. These General Conditions shall apply to the extent that they are not inconsistent with provisions of other parts of the Bidding Documents/Contract.

3. STANDARDS

- 3.1. The goods supplied under this Contract shall conform to the standards mentioned in the Technical Specifications.

4. **USE OF CONTRACT DOCUMENTS AND INFORMATION**

4.1. The Supplier shall not without the Procuring Agency's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Procuring Agency in connection therewith, to any person other than a person employed by the Supplier in the performance of the Contract. Disclosure to such employed person shall be made in confidence and shall extend only, as far as may be necessary, to such performance and not further or otherwise.

4.2. Any document, other than the Contract itself, shall remain the property of the Procuring Agency and shall be returned (all copies) on completion of the Bidder's performance under the Contract.

5. **PATENT RIGHTS**

5.1. The supplier shall indemnify the Procuring Agency against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof in the country.

6. **ENSURING STORAGE ARRANGEMENTS**

6.1. To ensure storage arrangements for the intended supplies, the supplier shall inform the General Manager/Senior Manager Healthcare Projects. IDAP two weeks before goods are loaded on ship. However, in case no space is available at Consignee's place at the time of supply, the General Manager/Senior Manager Healthcare Projects. IDAP shall, within two weeks to such intimation, inform the supplier, in writing, of the possible time-frame of availability of space by which the supplies could be made. In case the supplier abides by the revised time frame intimated in writing, he will not be penalized for this delay.

7. **INSPECTIONS, TESTS AND TRAINING**

7.1.

DAP BASIS

(a) For the Goods having LC amount PKR 20 Million or above, Pre-Shipment inspection will be carried out at factory premises / warehouse at the cost payable by the supplier to a Third Party (duly approved by Procuring Agency). Exchange Rate of date of financial opening will be applied for the sake of conversion of DAP amount into PKR. Local Inspection will also be carried out by Procuring Agency after receipt of stores at consignee site. In case, due to any reason the Pre-Shipment Inspection is not carried out, the amount equivalent to the cost of inspection ascertained by the Procuring Agency will be payable by the supplier to the Procuring Agency. It will be sole discretion of the procuring agency to allow the post-shipment third party inspection in case of any unforeseen issues or to minimize the time of pre-shipment inspection for fast track projects.

(b) For the Goods having LC amount PKR 05 Million to PKR 20 Million, Local Third Party Inspection will be carried out at consignee site at the cost payable by the supplier to a Third Party (duly approved by Procuring

Agency). Exchange Rate of date of financial opening will be applied for the sake of conversion of DAP amount into PKR. Local Inspection will also be carried out by Procuring Agency after receipt of stores at consignee site. In case, due to any reason the Local Third-Party Inspection is not carried out, the amount equivalent to the cost of inspection ascertained by the Procuring Agency will be payable by the supplier.

- (c) For the Goods having LC amount less than PKR 05 Million. Local Inspection will be carried out by Procuring Agency after receipt of stores at consignee site. Exchange Rate of date of financial opening will be applied for the sake of conversion of DAP amount into PKR.

7.2. The Procuring Agency's right to inspect, test and, where necessary, reject the goods either at Supplier's premises or upon arrival at Procuring Agency's destinations shall in no way be limited or waived by reasons of the goods having previously been inspected, tested, and approved by the Procuring Agency or its representative prior to the goods shipment from the manufacturing point.

7.3. Operational and preventive maintenance training required for the smooth operation of the goods shall be the responsibility of the supplier in accordance with the conditions contained in Technical Specifications.

8. DELIVERY AND DOCUMENTS

8.1. The Supplier shall in accordance with the terms specified in the Schedule of Requirements make delivery of the goods. Details of documents to be furnished by the Supplier are specified in SCC.

9. INSURANCE

9.1. The goods supplied under each contract shall be delivered to the Procuring Agency's designated premises after the payment of cess, octroi charges etc. Risk will be transferred to the Procuring Agency only after the delivery of these goods has been made to the consignee at Site. Hence, marine and transit insurance to site shall be the responsibility of the Supplier. The Supplier shall ensure insurance in advance in full on prevailing premium rates before the opening of LC of the Goods for each project on the behalf of the Purchaser for which the cost is inclusive in the Contract Price

10. TRANSPORTATION

10.1. The Supplier shall arrange such transportation of the goods as is required to prevent them from damage or deterioration during transit to their final destination within the time as indicated in the Schedule of Requirements.

10.2. The goods shall be supplied at Site as per Schedule of Requirements on the risk and cost of the Supplier. Transportation including loading/unloading of goods shall be the responsibility of Supplier.

11. **INCIDENTAL SERVICES**

The Supplier will be required to provide to the Procuring Agency incidental services at its own cost. No additional amount shall be payable by the Procuring Agency in this regard.

12. **WARRANTY / GUARANTEE**

12.1. The time period of warranty / guarantee means the period of Twelve (12) **Months** from the date on which the items have been commissioned and demonstrated to the Procuring Agency and accepted in writing or 18 months from the date of delivery at site.

12.2. During the period of warranty / guarantee, the Supplier shall rectify at its own expense, all defects in design, materials, and workmanship that may develop or are revealed under normal use of the goods upon receiving written notice from the Procuring Agency or the consignee; the notice shall indicate in what respect the goods have developed a fault.

12.3. The provisions of this clause include all the expenses that the Supplier may have to incur for delivery and installation of such replacement parts, material and equipment as are needed for satisfactory operation of the goods at Site as per clause 12.2.

12.4. Warranty also includes the replacement of consumable items. Consumables means a component, part, or material that is gradually used up or degraded during normal equipment operation and requires periodic replacement as part of preventive or corrective maintenance to ensure continued performance and safety of the device.

12.6. The Bidder shall **separately quote the price of Annual Comprehensive Extended Warranty inclusive of all types of parts & consumables, for the post warranty period of 05 years**. The Supplier shall remain responsible for providing after sale services after expiry of 01-year warranty / guarantee period and sign a post warranty Service Contract including Parts with consignee for a period of 05 years (if required by the consignee).

12.7. **Net Present Value (NPV)** based calculation, shall be applied to 05 Years Extended Warranty Prices quoted by bidders. Criteria for Financial Evaluation is mentioned in the Price Schedule. The Bidder achieving the lowest rates in Equipment Cost and NPV based Cost in Extended Warranty Prices will be awarded the Contract. NPV based calculation is only for financial evaluation, the contract will be awarded as per actual quoted rates.

13. **PAYMENT**

13.1. The method and conditions of payment to be made to the Supplier under this Contract are specified in SCC.

14. **ASSIGNMENT**

14.1. The Supplier shall not assign, in whole or in part, its obligations to perform to another party under this Contract, except with the Procuring Agency's prior written consent.

- 14.2. The procuring agency may assign any or all rights and responsibilities to another agency or entity.
- 14.3. The Contract for the Extended Warranty at the rates quoted by the supplier will be assigned to consignee. Consignee may have an Extended Warranty Contract with the supplier and supplier will have no objection and shall execute an instrument or document to this effect. Accordingly, all rights and liabilities under the Extended Warranty Contract shall be transferred to consignee.

15. **DELAYS IN THE SUPPLIER'S PERFORMANCE**

- 15.1. Delivery of the goods shall be made by the Supplier in accordance with the time schedule prescribed by the Procuring Agency in the Schedule of Requirements. Any undue delay by the Supplier in the performance of its obligations shall render it liable to the imposition of liquidated damages under clause GCC 16.1.
- 15.2. If at any time in the course of performance of the Contract, the Supplier encounters anything impeding timely delivery of the goods, he shall promptly notify the General Manager/Senior Manager Healthcare Projects, IDAP in writing of the causes of delay and its likely duration. As soon as practicable, after receipt of the Supplier's notice, the General Manager/Senior Manager Healthcare Projects, IDAP shall evaluate the situation and may, depending on merits of the situation, extend the Supplier's time for delivery of goods.

16. **PENALTIES**

- 16.1. In case of late delivery, penalty as specified in SCC will be imposed upon the Supplier / Manufacturer. The Procuring Agency may consider termination of the Contract in case there is an unusual delay in the delivery of the goods whereby the ongoing activity is likely to be affected seriously.
- 16.2. During the Warranty/Extended Warranty contract period if the uptime percentage at the end of each Warranty / Extended Warranty Contract year falls short of 95% the following formula will be applied to determine additional days in the Warranty / Extended Warranty Contract period:
The record of downtime will be maintained by the consignee:
- 100% - 95% No Penalty
 - <95% - 90% The Warranty / Extended Warranty Contract period will be extended by 1.5 times the number of days as extra down time.
 - <90% - 80% The Warranty / Extended Warranty Contract period will be extended by 2.0 times the number of days as extra down time.
 - Below 80% The Warranty / Extended Warranty Contract period will be extended by 3.0 times the number of days as extra down time.

17. **TERMINATION FOR DEFAULT**

- 17.1. (a) The Procuring Agency may, without prejudice to any other remedy for breach of Contract, by a written notice of default sent to the Supplier, may terminate this Contract in whole or in part if:
- (i) The Supplier fails to deliver or install any or all of the goods within the period(s) specified in the Contract, or within any extension thereof granted by the Procuring Agency;
 - (ii) The Supplier fails to perform any other obligation(s) under the Contract to the satisfaction of the Procuring Agency.
- (b) In the event, the Procuring Agency terminates the Contract in whole or in part, pursuant to GCC Clause 17.1 (a), the Procuring Agency may procure, upon such terms and in such manner as it deems appropriate, Goods or Related Services similar to those undelivered or not performed, and the Supplier shall be liable to the Procuring Agency for any additional costs for such similar Goods or Incidental Services. However, the Supplier shall continue performance of the Contract to the extent not terminated.
- (c) The Supplier has engaged itself in corrupt or fraudulent practices before or after executing the Contract.

FORCE MAJEURE

- 17.2. The Supplier shall not be liable for forfeiture/encashment of its Performance Bank Guarantee / Bid Security, or termination / blacklisting for default if and to the extent that this delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure. For the purposes of this Clause Force Majeure means an act of God or an event beyond the control of the Bidder and not involving the Bidder's fault or negligence directly or indirectly purporting to mal-planning, mismanagement and /or lack of foresight to handle the situation. Such events may include but are not restricted to acts of the wars or revolutions, fires, floods, earthquakes, strikes, epidemics, quarantine restrictions and freight embargoes. If a Force Majeure situation arises, the Supplier shall promptly notify the Procuring Agency in writing with sufficient and valid evidence of such condition and the cause thereof.

The Procuring Agency, will examine the pros and cons of the case and all reasonable alternative means for completion of purchase order under the Contract and will submit its recommendations to the competent authority. However, unless otherwise directed by the General Manager/Senior Manager Healthcare Projects, IDAP on behalf of Procuring Agency, in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical and shall seek reasonable' alternative means for performance not prevented by the Force Majeure event.

18. **TERMINATION FOR INSOLVENCY**

18.1. The Procuring Agency may at any time terminate the Contract by giving written notice to the Supplier if the Supplier becomes bankrupt or otherwise insolvent. In that event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right or remedy which has accrued or will accrue thereafter to the Parties.

19. **ARBITRATION AND RESOLUTION OF DISPUTES**

19.1. The Procuring Agency and the Supplier shall make every effort to resolve amicably by direct informal negotiations any disagreement or dispute arising between them under or in connection with the Contract.

19.2. If, after thirty (30) days from the commencement of such informal negotiations, the Procuring Agency and the Supplier have been unable to resolve amicably a Contract dispute, either party may require that the dispute be referred for resolution through arbitration in accordance with the Arbitration Act, 1940.

19.3. In case of any dispute concerning the interpretation and/or application of this Contract is to be settled through arbitration, the arbitrator shall be mutually appointed by the Procuring Agency and the Suppliers. If the Parties cannot agree to the appointment of a sole arbitrator each Party shall appoint an arbitrator and the arbitrators shall, before entering upon the reference, jointly appoint an umpire. The decisions taken and/or award given by the sole arbitrator shall be final and binding on the Parties. The location of the arbitrator shall be Lahore, Pakistan.

20. **PACKING**

20.1. The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing case size and weights shall be taken into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.

20.2. The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the Procuring Agency.

PRICE SCHEDULE

Criteria for Financial Evaluation:

Net Present Value (NPV) based calculation, where the lowest bidder is selected on the basis of Present Value of Future Payments, applicable only to 05 Years Extended Warranty Prices quoted by bidders.

Calculation Mechanism:

(i) 01 Year KIBOR Discount Rate as published by State Bank of Pakistan at the Date of opening of Financial Bids shall be used to discount the future values.

(ii) The Formula to calculate NPV is as under:

$$NPV = \frac{R_t}{(1 + i)^t}$$

NPV = Net Present Value
R_t = R represents Cost of Extended Warranty
t represents Year of Extended Warranty
i = KIBOR Discount Rate %

For Example:

Quoted Rates (Bidder A)

Price with One Year Warranty	Extended Warranty Prices					TOTAL PRICE
	2 nd Year	3 rd Year	4 th Year	5 th Year	6 th Year	
USD 50,000	USD 3,000	USD 3,000	USD 2,500	USD 2,500	USD 2,500	USD 63,500

NPV based Calculation

KIBOR Discount Rate: 8.81%

Price with One Year Warranty	Extended Warranty Prices					TOTAL PRICE
	2 nd Year	3 rd Year	4 th Year	5 th Year	6 th Year	
USD 50,000	USD 2,533.87	USD 2,328.71	USD 1,783.47	USD 1,639.06	USD 1,506.35	USD 59,791.46

The Bidder achieving the lowest rates in Equipment Cost and NPV based Cost in Extended Warranty Prices will be awarded the Contract.

Note: NPV based calculation is only for financial evaluation, the contract will be awarded as per actual quoted rates.
