Tender Enquiry No. \_\_\_\_\_

INVITATION TO BID

Sui Southern Gas Company Limited, (SSGCL) has pleasure in extending you an invitation, to submit bid for the subject material according to Terms and Conditions specified in the attached Tender Document. Please read following instructions before submission of bid:

1. Bids are to be submitted in sealed envelope provided with the tender, indicating Tender Enquiry Number & its opening date and time on the face of the envelope.
2. Bid Bond (2%) of the total FOR / FOB value shall be enclosed with the bid without which bid will be rejected and returned to bidder unannounced. The Bid Bond shall remain valid till the last date of the month in which it is expiring.
3. In case the bid opening date falls on a holiday or due to some unavoidable circumstances, it is not possible to open on scheduled date, it will be opened on next working day at the same time and at the same venue.
4. The bidder shall bear all expenses associated with the preparation and delivery of its bid/sample and the Company will in no case be held liable in this respect.
5. Prospective bidder requiring any information or clarification of the tender may notify the same by fax or at the mailing address. The Company will respond to any request for explanation or clarification, if received within reasonable time prior to submission of bids.
6. The Company reserves the right to cancel, add, delete or amend tendered items/quantities/any part of the tender during the bidding period without assigning any reason. However, bidders shall be informed about it prior to bid opening/process.
7. The Company reserves the right to accept or reject any bid or part of a bid or to annul the bidding process and reject all bids at any time prior to award of contract/purchase order without thereby incurring any liability to the affected bidder(s).
8. In case of Single stage two (02) envelope bidding process (if mentioned in press advertisement & Tender document), sealed technical offer & sealed bid shall be submitted in separate envelopes Bid Bond will be enclosed with "commercial" bid. "Technical Proposal" and "Financial Proposal" is to be mentioned on the top of the envelope. Technical offers will be opened and evaluated first. Financial offers of only technically compliant bidders will be opened at a later intimated date in presence of bidder's representatives. Financial proposal of technically non-compliant bidders will be returned un-opened along with their bid bond.
9. For Tenders invited on F.O.B/C&F basis, conditions as mentioned in section-1A will also apply.
10. The Company will appreciate confirmation by fax No 92-21-99231583 or email [mmte@ssgc.com.pk](mailto:mmte@ssgc.com.pk) or to DGM (Procurement) of your intention to submit the bid and if not interested in submission of bid, it will be appreciated if it is intimated through fax or email with mentioning of reasons.
11. Bids are required to be submitted at:

Tender Room, CRD Building, Head Office Complex, Sir Shah Suleman Road Gulshan-e-Iqbal, Karachi Pakistan. Ph. 0092-21-99021024, 0092-21-99021223, 0092-21-99021279, 0092-21-99013074, Fax # 0092-21-99231583, Email: [mmte@ssgc.com.pk](mailto:mmte@ssgc.com.pk)

Hope and look forward for your valued participation.

Thanking you

Yours sincerely

  
\_\_\_\_\_  
General Manager (Procurement)

## General Terms &amp; Conditions

## 1. Submission of bids:

- 1.1. Bids are to be submitted in sealed envelope provided with the tender (in such a manner that contents are fully kept enclosed and cannot be seen until opened) indicating tender enquiry number, its opening date and time on the top of the envelope. Envelopes shall be addressed to General Manager (Procurement Department) on the address provided on "invitation to bid". Envelope shall indicate the name and address of the bidder for returning the bid in case it is declared late or submitted without bid bond.
- 1.2. Sealed bids (as above) shall be mailed/submitted/dropped in tender box placed at Tender Room, CRD Building, SSGC Head Office. Bids are to be delivered on or before closing time after which they will not be entertained. In case bid is sent through courier, the same shall be delivered at least 24 hours before scheduled opening time.
- 1.3. The Company may at its discretion extend the closing date for the submission of bids, in which case all rights and obligations of the purchaser and bidders previously subject to the closing date will thereafter be subject to the date extended. However, any request for extension received from prospective bidders less than one week prior to bid opening date may not be entertained. In case of extension in bid opening date, the same will be advertised in press and simultaneously shall be intimated to prospective bidder who had purchased the tender documents.
- 1.4. The bid shall contain no interlineations, erasures or overwriting except as necessary to correct the errors made by the bidder, in case of any correction etc. it shall be signed and stamped by the person signing the bid.
- 1.5. The quoted price shall be inclusive of all duties/taxes except GST, which is to be mentioned separately. The supplier shall mention (if applicable) regarding non-applicability of GST for which documentary evidence shall be enclosed or could be produced upon demand.
- 1.6. Rates shall be item-wise, as given in price schedule/schedule of requirement/Bid Form unless otherwise specified.
- 1.7. Bidder is responsible for timely delivery of bids at location specified 1.2 above. Company will not be responsible for misplacement/ tampering/ non-attendance/delay or any other incident in case the bid is not delivered at the designated place & time.
- 1.8. Any bid received late after the closing date and time, will be rejected and returned unopened.
- 1.9. The quotation shall only be acceptable on/as per Bid Form. In case for foreign tender when Local Agent submits bid on behalf of different bidders, a separate Bid Bond for each Bid is required. Likewise for tender when bidder submit alternative bids, separate bid bond for each bid is required or else bid will be liable for rejection.
- 1.10. Deviation from tender terms and conditions is not allowed. However, in unavoidable circumstances, these shall be mentioned at the bottom of "Section - Bid Form" deviation on any other page will not be entertained.
- 1.11. Discount offered (if any) shall be mentioned on the "bid form" only.
- 1.12. The bidder(s) or their authorized representative shall put his full signature with stamp & date on each page of tender document as well as enclosure vis-a-vis drawings, specifications etc. Any correction, overwriting shall be duly signed & stamped.
- 1.13. The bid is to be completed and returned to the Company in accordance with, General terms & conditions. General terms & conditions duly signed & stamped (as a token of acceptance) shall be submitted along with Bid Form (Price schedule) duly completed as per requirement. However, specifications/drawing is to be retained by bidder for their future references.

## 2. Eligible Countries / bidders:

The invitation for bids is open to all manufacturers/suppliers/stockiest/dealers/pre-qualified bidders but is not applicable to those countries where inter trade protocols with Pakistan do not exist or those countries from where imports are not allowed by Government of Pakistan.

## 3. Qualification/Disqualification of Suppliers:

The Company, at any stage of the procurement proceedings, having credible reasons for or prima facie evidence of any defect in supplier's or contractor's capacities, may require the suppliers or contractors to provide information regarding their professional, technical, financial, legal or managerial competency.

whether already pre-qualified or not. The Company shall disqualify a supplier or contractor if it finds, at any time that the information regarding their qualification as supplier or contractor was false and materially inaccurate or incomplete. Mechanism: Black Listing Mechanism.

4. **Joint Ventures:**

In the event that the successful bidder is a joint venture (formation of two or more companies), the Company will require an undertaking on judicial stamp paper that the parties to the joint venture accept joint and several liabilities for all obligations under the purchase order/contract.

5. **Clarification of tender documents:**

Prospective bidders requiring any further information or clarification of the tender documents may notify the Company in writing or by fax or at the Company's mailing address indicated in the "invitation to bids". The Company will respond in writing to any request for information or clarification of the tender documents, if received five working days prior to closing date for the submission of bids prescribed by the Company. The Company response (including an explanation of the query) will be sent in writing or by fax/e-mail to all prospective bidders who have purchased the tender documents. Verbal instructions/telephone will not be acceptable.

6. **Modification and withdrawal of bid:**

- 6.1 The bidder may modify or withdraw its bid after the bid submission, provided the written notice of the modification or withdrawal is received by the Company prior to the deadline prescribed for submission of bid. After the bids/quotations are opened, no bidder shall be allowed to revise, propose or request any change in the bid.
- 6.2 The bidder's modification or withdrawal notice shall be sealed and addressed to GM (P). A withdrawal notice may be sent by fax followed by a signed copy.
- 6.3 Bids once opened cannot be withdrawn during validity period.

7. **Bid validity:**

All offers shall remain valid up to 90 days (120 days in case of Two Envelope bidding procedure) from the date of opening of bids, until any further extension agreed by the bidder. If the bidder agrees for extending bid validity the bid bond shall also be extended accordingly. A bidder giving extension to his bid validity will not be required or permitted to modify his bid. If there will be any query/clarification or extension request asked by the Company, the bidder should reply the same within 7 days after receipt of the same and if bidder takes more than 7 days the delay in reply will be added to their bid validity period.

8. **Rate Escalation:**

8.1 **All items except line-pipe:**

Quoted prices shall remain valid, firm, irrevocable and fixed till the fulfillment of obligations by the bidder and will not be subject to escalation / change on any account.

8.2 **Line-pipe only:**

8.2.1 Bidders are essentially required to submit detailed breakdown of rates indicating unit price of:

- a) HR Coil.
- b) All other charges (including wastage, transportation, conversion cost etc).

8.2.2 Rate / price offered by the bidders shall be firm and irrevocable. However bidder offering pipe manufactured from Pakistan Steel Mills (PSM) HR coil are required to submit certified documentary evidence of HR coil rates. Adjustment in line-pipe rates (from the bid opening date till the currency of order) due to change in rate of HR coil manufactured by PSM is admissible to the extent of raw material cost without wastage. The bidders are required to submit certified documentary evidence of HR coil rates published by PSM, at the time of submission of bids. SSGC may verify the document / rates from PSM.

8.2.3 The variation clause however shall not be applicable on line-pipe quantities which were delivered within 20 days of the announcement of the variation (both days inclusive) in price of HR coil by PSM.

8.2.4 The variation clause also shall not be applicable on the line pipe quantities delivered after the specified delivery schedule (total or monthly consignment wise)

8.2.5 No escalation is applicable on line pipe manufactured from imported HR coil.

9. **Bid bond (earnest money):**

Bid bond equivalent to two percent (2%) of the total offer value, in favor of Sui Southern Gas Company Ltd. shall accompany the bid if bid value is above Rs.500,000 in the form of pay order, demand draft, call deposit receipt or a bank guarantee (specimen of bank guarantee is attached at Annexure-A), issued by a scheduled bank in Pakistan. The bid bond shall remain valid for 120 days (150 days in case of Two Envelope bidding procedure) unless specified otherwise. The bid bond shall be returned/refunded to the unsuccessful bidders while the bid bond of the successful bidder shall be retained, till submission of Performance bond (if applicable). Bids without bid bond will not be considered. In case the order value is less than Rs. 500,000 the bid bond in lieu of performance bond will be retained till fulfillment of obligation by the supplier. However, in either case the bidder is responsible to arrange the extension of the bid bond validity as per requirement. If bid bond submitted by the supplier is more than 2% of ordered value, it may be replaced with appropriate value. If order value is less than Rs. 500,000, the bid bond will be returned along with the order. Bid bonds of non-compliant bidders may be released during evaluation process. The bid bond may be forfeited if a bidder withdraws the bid during validity period specified by the bidder or if successful bidder fails to:

- ✓ Accept purchase order
- ✓ Furnish performance guarantee in accordance with clause 16 of Section 1,
- ✓ Supply material as per requirement and delivery schedule.

9.1 In the event of bid bond validity falling short of the prescribed period of 120 or 150 days as the case may be either (i) due to extension in the bid submission date or (ii) where so required by the procuring agency, then in such an event it shall be the duty of the bidder to extend the bid bond validity upto 120/150 days within 30 days of the opening of technical proposal / bid, and /or where so required by the procuring agency.

9.2 In the event of the bid security amount deposited / furnished by the bidder falls short by 10% of the requisite Bid security amount. The procuring agency keeping in view the nature of the procurement may consider and allow the bidder to deposit / furnish the balance 10% amount, provided the bidder does so within 15 days of the opening of the bid. Notwithstanding that all other terms & conditions have been fully complied with.

10. **Opening of bids:**

Bids will be opened in presence of bidders or their authorized agents at the address provided on "invitation to bids". The bidder's representatives who are present shall sign the bid opening sheet (attendance sheet) to mark their attendance/witness. Commercial contents of bids will be announced/recorded in bid opening sheet.

11. **Preliminary Examination of bids:**

- 11.1 The Company will examine the bids to determine their completion, computational errors, provision of guarantees, authorized signature and other related matters.
- 11.2 Arithmetic errors will be rectified on the following basis. Discrepancy between unit price and the total price obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price will be corrected. Discrepancy between total bid amount and the sum of total prices, the total prices shall prevail and the total bid amount will be corrected.
- 11.3 Prior to a composed evaluation, the Company will determine the substantial responsiveness of each bid to the bidding documents. In Company's opinion a substantially responsive bid is the one which conforms to all the terms and conditions of the bidding documents without any material deviation.
- 11.4 Bid determined as not substantially responsive will be rejected by the Company and cannot subsequently be made responsive by the bidder through correction of the non-conformity.

**12. Clarification of submitted bids:**

To assist in the examination, evaluation and comparison of bids, the Company may at its discretion inquire any clarification from bidder about their bid. All responses by bidders shall be provided in writing and no change in the price or substance of the bid shall be sought, offered or permitted.

**13. Technical Literature & Samples:**

The Bidder(s) shall submit the following:

- 13.1 Samples (if applicable/required)
- 13.2 Original or legible copy of technical literature/performance characteristics
- 13.3 Test Certificates (if applicable/required)
- 13.4 Documentary evidence for legal import in case of imported material. (At the time of delivery when quoted on FOR basis)
- 13.5 In case of pipeline operation material bidders must also attach a "proof from supplier/ manufacturer, that goods offered have been used successfully on a high pressure natural gas pipeline elsewhere under tropical climatic conditions.

**13.6 Specification Compliance Sheet:**

Company requires a clause-by-clause commentary on the Specifications, demonstrating the materials responsiveness to those specifications or a statement of deviations and exceptions to the provisions of the specifications, if so required/desired. For purposes of the commentary to be furnished pursuant to above, the bidder shall note that standards for workmanship, material and equipment and references to brand names or catalogue numbers, designated by the Company in the specifications are intended to be descriptive only and not restrictive. The bidder may substitute other authoritative standards, brand names and/or catalogue numbers in its bid provided which demonstrates to the Company's satisfaction that the substitutes are equivalent or superior to those designated in the specifications by the Company.

Bid which does not possess above documents, certificates etc., may be considered technically Non-compliant.

- 13.7 The offer shall be accompanied with all technical data/documents/certifications as required under the tender specifications. Evaluation shall be carried out on the basis of data/ documents/certifications submitted with the bid. No clarification, additional information may be sought / accepted after bid opening.

**13.8 Deviation to technical specifications:**

The bidder shall fill the "technical compliance sheet" and mention offered specifications along with reference to its technical brochure/literature (page/clause No.etc). Statement such as "Compliant" or "Confirmed" is not acceptable. Deviation to tender terms and technical specification is not acceptable. However, if bidder feels to mention minor deviation, the same shall be referred categorically on the "Bid Form" as well as on the technical compliance sheet stating reference of its technical data sheet/brochure. In case of insufficient information, data or documents, the Company is not liable to seek clarification and the bid may be determined non-compliant on provided information.

**14. Award/Evaluation Criteria:**

- 14.1 In case of locally manufactured items e.g. service line material & meter components, manufactured by local vendors, the lowest bidder will be awarded maximum quantity as per his declared capacity and past performance in respect of delivery and quality. New vendors / manufacturers shall also be considered for placement of a purchase order up to a maximum of 10% of the tender quantity if their submitted sample has been tested and approved and provided they have quoted lowest price or agree to accept the order on lowest received price.

- 14.2 Generally for other items other than above, ordering shall be based on technical compliance and lowest quoted price. Supplies may be subject to pre shipment inspection and post qualification by a third party in case of foreign material. If required during the process of manufacturing and / or inspection, SSGCL representative may visit the manufacturer facility to witness the manufacturing / inspection process.

- 14.3 Evaluation may be carried out both on item or on group of items/single or multiple package basis depending upon the nature of requirement exclusively at the discretion of the company to ensure economic procurement.
- 14.4 Company reserve the right to settle the final terms of supply with the lowest evaluated and commercially responsive bidder. Any effort by the bidder (s) to influence the outcome of bid evaluation or placement of purchase order may result in disqualification of the bidder.

#### 15. Loading of Bids:

Bids may be loaded with following if offer found to be deviated from specifications, delivery schedule, terms & conditions without stating the amount involved in such deviation by following method:

- 15.1 The cost of compensation / loading amount for that item shall be derived from the bid itself.
- 15.2 If 15.1 is not possible, average of rates of other bidders, who have quoted for that item conforming to technical specification, shall form the basis for cost compensation/loading.
- 15.3 The company will encourage participation by local bidders who will be given price preference. Loading cost factor shall be determined as per prevailing Government policy / SRO. However they will submit details of local value addition on raw material imported by them and percentage of locally manufactured component with documentary evidence.

#### 16. Performance Bond:

- 16.1 In case purchase order value is above Rs:500,000, the successful bidders shall submit performance bond guarantee which is to be submitted within ten days from receipt of LOI or order along with integrity pact. The successful bidders shall submit a performance bank guarantee (PBG) in the form of a pay order or bank guarantee (specimen attached at Annexure-B) issued by a scheduled bank in Pakistan, for an amount equivalent to 10% of the total value of the purchase order or as specified, in the "letter of intent". The performance bond unless specified otherwise; shall remain valid till:
- 16.1.1 Completion of final satisfactory delivery in case of consumable items.
- 16.1.2 12-18 months from the date of satisfactory delivery of the equipment/machinery.
- 16.1.3 Satisfactory delivery/installation of system in case the installation responsibility is on supplier's part.
- 16.1.4 120 days in case of chemicals.
- 16.1.5 In case of locally manufacturing item, the PBG equivalent to 3 months delivery schedule will be required after placement of purchase order which should remain valid till completion of final satisfactory delivery of the ordered quantity.
- 16.1.6 In case of small diameter line pipe (MS/MOP) the PBG shall remain valid up to 3 months after completion of satisfactory final delivery.
- 16.1.7 In case of Vehicles, Manufacturer's Warranty is required in lieu of PBG.
- 16.2 The guarantee will be released after completion of this period, subject to satisfactory performance of the supplied equipment/machinery/system as mentioned at 16.1 above. The supplier shall keep the guarantee valid at their cost until fulfillment of the obligations.
- 16.3 In case the bidder does not submit the performance bond as specified, the delivery time of goods shall be deemed to have commenced 10 days (15 days in case of import) from the issuance of letter of intent/purchase order. The proceeds of the performance bond shall be payable to the Company as compensation for any loss resulting from the supplier's failure to complete its work under the purchase order/ contract. The validity period of the performance bond is to be extended if the delivery date/period is being extended mutually by the Company/Supplier.
- 16.4 The performance bond will be discharged / returned by the Company not later than thirty (30) days following the date of completion of the supplier's work under the purchase order/contract including any warranty/guarantee/performance obligations as specified in the special conditions of contract. The supplier shall not be absolved of their liability to perform in case of encashment of performance bond by the Company, who shall have the right to claim and receive all damages/losses incurred due to non-performance.
- 16.5 The Company shall promptly notify the supplier in writing for any claim arising under this guarantee. Upon receipt of such notice, the supplier shall promptly repair or replace the defective goods or parts thereof, without cost to the Company other than, where applicable the cost of inland delivery of the repaired or replaced goods or parts from the port of entry to the final destination.

14.

- 16.6 If the supplier, having been notified, fails to rectify the defect (s) in accordance with the purchase order/contract, the Company may proceed to take such remedial actions as may be necessary at the supplier's expense. Any amount payable by the supplier under this clause may be recovered by the Company by withdrawing from the performance bond without having to notify or seek the approval of the supplier.
- 16.7 Nothing herein contained shall be construed to limit supplier's obligation of performance of the order/contract to the value of the performance bond.
- 16.8 **Guarantee/Warranty:** In case where performance guarantee is not applicable, the supplier shall confirm that all supplied goods under the contract/purchase order are new, unused, of the most recent or current models and incorporate all recent improvements in design and goods unless provided otherwise in the contract/purchase order. This guarantee shall remain valid for a period of twelve to eighteen months after the goods have been delivered or commissioned.
- 17. Purchase Order/Contract:**  
Purchase order of quoted material may be placed on fulfillment of conditions mentioned at 14 & 16 above which is through formal confirmation for proceedings with the suppliers.
- 18. Assurance:**  
The successful bidder will be required to give satisfactory assurance of its ability and intention to deliver the goods, pursuant to the tender enquiry and contract within the time set forth therein.
- 19. Force Majeure:**
- 19.1 In the event of either party hereto being rendered unable, wholly or partially, by force majeure circumstances to carry out its obligations under the purchase order/contract documents, such party shall give notice and full particulars and other satisfactory evidence of such force majeure circumstance(s) in writing to the other party within 7 days after the occurrence of the cause(s). Relied upon the obligations of the party giving such notice so far as they are affected by such force majeure shall be suspended for the period during cause(s) shall, as far as possible, be remedied and obviated with all reasonable dispatch. The term 'force majeure' as employed herein, shall mean acts of God or public enemy, civil insurrection, fires, floods, earthquakes or other physical disasters, order or request of governments, blockade or embargo. It is, however, clarified that strikes, lockouts, shortage or non-availability of raw materials, rains, and disturbances, other labor dispute or congestion's in ports on the supplier's side shall not be included in the term 'force majeure'.
- 19.2 In case the force majeure contingencies last continuously for more than one month, both parties will agree on the necessary arrangements for the further implementation of the purchase order/contract. In case further implementation is unforeseeable and impossible, both parties shall arrange for the termination of the purchase order/contract, but without prejudice to their rights and obligations prior to such termination it being understood that each party shall fulfill its contractual obligations so far as they have fallen due before the operation of force majeure.
- 20. Amendment in purchase order/contract:**
- 20.1 The Company may at any time by a written notice to the supplier make changes within the general scope of the purchase order/contract in any one or more of the following:-
- 20.1.1 Drawings, designs or specifications where goods to be furnished under the purchase order/contract are to be specifically manufactured for the Company.
- 20.1.2 The method of shipment or packing.
- 20.1.3 The place of delivery.
- 20.1.4 Quantities of item up to a maximum variance of +15% of purchase order/contract value.
- 20.2 Company reserves the right to increase/decrease the quantities or delete any or all items listed in the price schedule/schedule of requirement/bid form without assigning any reason.
- 20.3 Upon notification by the Company of such modifications the supplier shall submit to the Company an estimated cost for the proposed modification within ten (10) calendar days of receipt of notice of the modification and shall include an estimate of the impact (if any) of the modification on the delivery dates under the purchase order/contract, as well as a detailed schedule for the execution of the modification, if applicable.

- 20.4 The supplier shall not perform modification in accordance with clause 20.1 above until the Company have authorized a modification order in writing on the basis of the estimate provided by the supplier as described in clause 20.3.
- 20.5 Modification mutually agreed upon shall constitute a part of the work under the purchase order/contract and the provisions and conditions of the contract shall apply to the said modification.
- 20.6 If modification made by the Company results in a variation in purchase order/contract quantities whose net cost effect is within 15% of the total value then the original purchase order/contract rates would be applicable. Any "modification" affecting the quantities and the corresponding cost effect beyond 15 percent would be mutually agreed upon between the Company and the supplier.

#### 21. Extension in delivery period:

- 21.1 Delivery of the goods shall be made by the supplier in accordance with the schedule of requirement and delivery period; however, the supplier may claim extension of the time limits as set forth in the schedule of requirements and delivery period in case of
- 21.1.1 Modification in the goods ordered by the Company pursuant to clause 20.
- 21.1.2 Delay in provision of any services which are to be provided by the Company (services provided by the Company shall be interpreted to include all approvals by the Company under the contract).
- 21.1.3 Delay in performance of work caused by orders issued by the Company.
- 21.2 The supplier shall demonstrate to the Company's satisfaction that it has used its best endeavors to avoid or overcome such causes for delay and the parties will mutually agree upon remedies to mitigate or overcome such causes for delay.
- 21.3 Notwithstanding clause 21.1 above, the supplier shall not be entitled to an extension of time for completion unless the supplier at the time of such circumstances arising, immediately has notified the Company in writing of any delay that it may claim as caused by circumstances pursuant to clause 21.1 above and upon request of the Company, the supplier shall substantiate that the delay occurred is due to the circumstances referred to by the supplier.

#### 22. Packing:

- 22.1 The material shall be in original/sealed packing to ensure delivery without any damage during transit.
- 22.2 If any of the good is discovered to be damaged or unacceptable at the point of embarkation, the supplier shall be responsible for replacement of those goods free of any charge and cost to the Company, within the delivery time schedule of the contract/purchase order.
- 22.3 The identification marks showing contents, quantity and contract/purchase order number shall be printed on each skid/metal container/case containing one copy of invoice & packing list.
- 22.4 Handling and Transportation:  
The Supplier shall arrange for the proper stacking of the Goods and for its proper storage and lashing and for other such provisions/suitable measures as may be necessary to safeguard against movement and damage to the Goods from the point of loading to its designated destination.

#### 23. Inspection:

- 23.1 Pre-delivery inspection may be carried-out at the premises of supplier(s) and/or post delivery inspection at company's any location, by the appointed inspector/inspection team, third party inspectors appointed by the Company.
- 23.2 The Company reserves the right to arrange inspections and tests to the goods or manufacturing processes at any stage at any of the premises of the supplier or its subcontractor(s) or and at the point of delivery end at the goods final destination. Where conducted on the premises of the supplier or its sub-contractor(s), all reasonable facilities and assistance including access to drawings and production data shall be furnished to the inspectors at no charge to the Company. Such inspection, however, shall not relieve the Supplier to fulfill the obligations under the

purchase order/contract. If goods fail to conform to the specifications, the Company may reject them.

#### 24. Delivery:

- 24.1 Free delivery at any of the following locations, unless specified otherwise:
- 24.1.1 R & D Section, Stores Department Abul Hasan Ispahani Road, Karachi.
  - 24.1.2 R & D Section, Stores Department F-37, SITE Karachi.
  - 24.1.3 R & D Section, Stores Department F-76, Dope Yard SITE, Karachi.
  - 24.1.4 Meter Manufacturing Plant, Sir Shah Suleman Road, Gulshan-e-Iqbal Karachi.
  - 24.1.5 Khadeji Store, 57th Kilometer at Super High way Karachi.
  - 24.1.6 Any other location specified by the company.
- 24.2 Delivery period shall commence after 10 days (15 days in case of import) of the issuance of letter of intent or from the date of purchase order/contract whichever is earlier, unless otherwise specified.
- 24.3 The supplier shall replace defective material at their risk & cost including transportation, duty, tax etc.
- 24.4 GST invoice if applicable be submitted at R&D section Stores Department along with material & delivery challan.
- 24.5 Unloading and stacking through cranes, fork lifters, labor etc. will be arranged by supplier at delivery site (for material like Pipes/Heavy Machinery & Equipment etc).
- 24.6 Delivery is to be made strictly in accordance with "delivery schedule" as specified by the Company.
- 24.7 The rejected material to be collected/lifted by the supplier within a maximum period of one month after its intimating to the Company. Beyond specified period, the Company shall not be responsible for storage/safety of the uncollected material.

#### 25. Delivery Failure:

- 25.1 In case the supplier fails to supply/ship the material within the stipulated period, the Company have the right to make an alternative arrangement for the purchase of the goods on such terms as may be offered. In such event all losses (cost) and charges sustained/incurred by the Company on stated purchase shall be recovered from the Supplier without prejudice to any other right or remedy available to the Company which includes recovery of losses sustained by the Company from any due payment of the said supplier.
- 25.2 In the event Company remains unable to make such alternative arrangements, the Company has the right to recover from the supplier any or all losses sustained as a result of the supplier's failure to ship/supply the goods as per schedule of delivery.
- 25.3 In the event Company being forced to purchase any quantity of any other alternative not specified in this document as a result of any failure to supply/ship the material, the Company shall have the right to terminate the contract/purchase order without prejudice to any other rights or remedies available to the Company.

#### 26. Payment:

- 26.1 The supplier after delivery of goods and its acceptance shall submit invoice to Finance Department of the Company, containing following information i.e.
- (a) Purchase order No. & date
  - (b) Items
  - (c) Quantity
  - (d) Price
  - (e) Invoice value
  - (f) Point of delivery
  - (g) Delivery challan indicating delivery date, etc.
- Payment will be made within 30 days of completion of stated formalities.
- 26.2 Income Tax @ 3.5% or as applicable under the prevailing government rules will be deducted at source (except where the supplier provides an income tax exemption certificate). Quoted price shall be inclusive of all taxes, except GST, which shall be mentioned separately. Supplier(s) are required to submit signed and stamp acknowledgement slip, Sales Tax return, Annex "C" & Annex "I" (whichever applicable) in which Sales Tax (of relevant Sales Tax invoice) is paid.

- 26.3 In case supplier is not liable to pay tax under the income tax ordinance or is liable to pay tax at a lower rate the supplier shall obtain a certificate from the tax authorities in Pakistan to that effect. In case the required certificate is not produced by the supplier prior to the date of payment, then the Company shall deduct tax at source from the gross payment payable to supplier.

**27. Liquidated damages:**

- 27.1 If supplier fails to deliver ordered material within the stipulated period/scheduled time specified in purchase order, Company, without prejudice to any other remedies, shall deduct from the bill or any other due payments/guarantees, as liquidated damages, a sum equivalent to 0.1% per day of the undelivered goods up to maximum 10%. The liquidated damages shall also be applicable for the cancelled quantity of goods under clause 28.
- 27.2 Whenever liquidated damages become payable, in the event that delivery of all goods and equipment is not made within the time period specified except on account of force majeure, the Company shall quantify the same and shall serve notice to the supplier requiring payment thereof. If the supplier fails to remit payment within 15 days of receipt of such notice, the Company shall forthwith become entitled to recover the same without recourse to the supplier, by calling upon The Performance Bond, withdrawals by way of liquidated damages shall not reduce the value of the Performance bond.
- 27.3 The payment of liquidated damages shall not relieve the supplier from performing and fulfilling all its obligations under the contract/purchase order nor shall the right and entitlements of the Company be affected or reduced in any manner.
- 27.4 In case of order placed on FOB/C&F basis, the delivery period shall commence from the date of confirmation of L/C. However, delayed submission of PBG period in excess of time limit will be deducted from the delivery period for the purpose of recovery of late delivery charges.
- 27.5 The liquidated damages shall be the sum equivalent to point one (0.1%) percent of the Contract price of the delayed goods as well as for services for each day of delay, until actual delivery or performance, up to a maximum deduction of ten (10) percent of the Contract price. Once this maximum is reached, the Company may consider termination of the Contract at the risk and cost of the Supplier.

**28. Default by Supplier:**

- 28.1 The Company may, without prejudice to any other remedy, by written "notice of default" sent to the supplier, cancel the purchase order whole or in part; if:
- 28.1.1 The supplier fails to deliver any or all of the ordered quantity as per specified delivery schedule or any extension thereof granted by the Company.
- 28.1.2 The supplier fails to perform any other obligation(s) under the "purchase order".
- 28.1.3 The Company during the delivery period has reasons to believe that the supplier will not be able to fulfill the obligations under the purchase order/contract. The Company prior to exercising its right to cancel the purchase order/contract shall issue notice to the Supplier specifying the default(s) and the supplier shall submit an explanation within seven (07) days of receipt of such notice. If such explanation is not furnished within the stipulated time or if so furnished, is found to be unsatisfactory and/or the default(s) continues, purchase order/contract may be cancelled. The Company in addition to cancellation of purchase order/contract may suspend/cancel the enlistment of supplier.
- 28.2 The Company shall have the right to terminate/cancel the contract/purchase order concluded between the supplier and Company; if:
- 28.2.1 The successful bidder fails to furnish the performance bond as under clause 16 thereof.
- 28.2.2 The supplier fails otherwise to perform, fulfill or comply with terms, conditions, regulations and requirements of the contract/purchase order to carry out the work in accordance with the provisions thereof or abandons the shipment.
- 28.2.3 The supplier becomes bankrupt or insolvent or makes an assignment for the benefit of its creditors.
- 28.2.4 One or more consignments of material delayed by a period of more than three months or non-supplied.
- 28.2.5 Rejection of manufacturing items as a result of observation by inspection team

28.2.6 Penalty on higher rejection rate of supplied goods.

28.3 The supplier shall have the right to terminate the contract/purchase order if:-

- 28.3.1 The Company fails to establish the "letter of credit" within the stipulated period as required.
- 28.3.2 The Company becomes bankrupt or insolvent or makes an assignment for the benefit of its creditors.
- 28.3.3 The Company is in default and breach of its obligation and liabilities under the contract/purchase order.

29. **Resolution of dispute:**

The Company and the supplier shall make every effort to resolve the disagreement or dispute arising between them amicably by direct discussion under or in connection with the purchase order/contract.

30. **Applicable law:**

The purchase order/contract shall be governed by and interpreted in accordance with the laws of the Islamic Republic of Pakistan.

31. **Declaration/Integrity Pact/Certification:**

- 31.1 Successful supplier shall furnish the declaration (specimen attached at Annexure-C) within 10 days after issuance of LOI/order /contract if the order/contract value becomes Rs:10 million or above.
- 31.2 In case of F.O.B/C&F Purchase order/Contract, the Principal as well as "local agent" both will sign the "integrity pact" as required under this clause.
- 31.3 Bidders to submit a certificate of Rs:100/- non-judicial stamp paper certifying that they are not black listed by the Government Autonomous bodies and declared as defaulted supplier.

32. **Arbitration/resolution of disputes:**

- 32.1 Any difference or dispute arising out of or in connection with the contract between the Company and the supplier which can not be amicably resolved shall be referred to arbitration in Karachi, Pakistan, to two arbitrators, one appointed by each party of such difference/ dispute. In case the judgment of the said Arbitrator being at variance the matter shall be referred to an "umpire", who shall be appointed by both the side Arbitrators. The umpire shall be retired judge of a High Court or the Supreme Court of Pakistan. Such arbitrators and umpire shall together proceed to adjudicate the disputes in accordance with the Arbitration Act, 1980 as amended from time to time.
- 32.2 Prior to exercising any right by the Company or supplier to terminate the purchase order/ contract under the conditions stipulated above, a return notice shall be required to be given to the other party specifying such default(s) and calling for submission of an explanation within seven (7) days of receipt of such notice. If such explanation is not furnished within the stipulated time or if so furnished, is found to be unsatisfactory, and the default(s) continuous, the purchase order/contract be terminated with notice to other party.
- 32.3 The agreement shall be governed by Law of Islamic Republic of Pakistan and the arbitration language shall be English.
- 32.4 During the course of arbitration, the supplier shall not suspend the performance of his responsibilities and obligations under the contract unless authorized by the Company in writing to do so.
- 32.5 In addition to the remedies as stated above, there is a "grievance committee" formed by the Company which can be approached by supplier in case of non-settlement of issues at any stage if supplier feels that settlement is not insight or not justified.

33. **Redressal of grievances by the procuring agency:-**

- 33.1 Grievance Committee is in place to address the complaints of bidders that may occur prior to entry into the procurement contract.
- 33.2 Aggrieved bidder may lodge a written complaint concerning his grievances not later than fifteen days after the announcement of the bid evaluation report.
- 33.3 Bidder is to submit complaint on letter head duly signed by the authorized person. Tender reference, details / nature of complaint, complainant active telephone, cell, postal address, email

address must necessarily be provided. Incomplete / anonymous complaints will not be responded at all.

33.4 The Committee shall investigate and decide upon the complaint within fifteen days of the receipt of the complaint

33.5 Mere fact of lodging of a complaint shall not warrant suspension of the procurement process.

**34. Blacklisting of Suppliers and Contractors:**

The Company shall permanently blacklist or temporarily debar (at least for 6-months from participating in SSGC's tender proceedings) if, a supplier or contractor who either constantly fails to perform satisfactorily performance or found to be indulged in corrupt and fraudulent practices as defined below:

34.1 Corrupt and fraudulent practices" includes the offering, giving, receiving, or soliciting of anything of value to influence the action of an official/Company.

34.2 If the supplier/contractor found responsible for the detriment of the Company during proceedings of procurement/contract, process or its execution.

34.3 Misrepresentation of facts in order to influence the procurement process or the execution of the contract/order/contract.

34.4 Coercive practices among bidders (prior to or after bid submission) designed to establish bid prices at artificial, non-competitive levels and to deprive the Company of the benefits of free and open competition.

**35. Supplier's Guarantee and Responsibilities:**

The Bidder/Supplier shall guarantee that the materials supplied against this tender enquiry is new and is of acceptable quality and has been tried and approved on similar jobs. The validity and scope of such guarantee will be in accordance with conditions stated in this document. In case the opinion of the Company the Goods fail to perform the services in accordance with the specifications specified in Section IV due to manufacturing defects, defective material and/or workmanship, the Supplier shall replace, repair or reconstruct such Goods at his own cost in Pakistan wherever the Goods shall be located so that such Goods shall be restored to such conditions that it shall perform in satisfactory operating condition or to replace it with new Goods at Supplier's cost so that the goods shall perform in accordance with the specifications and details as set forth in the Contract/tender documents. If the Supplier shall fail to do so after expiry of 15 days notice to this effect served on him by the Company, the Company shall be at liberty to repair, replace and/or reconstruct the Goods at its costs provided in the event, the Company shall be entitled to recover total cost of such replacement from the Supplier withdrawing from the Performance Guarantee.

**36. Language:**

The bid prepared by the bidder and all correspondence and documents relating to the bid exchanged by the bidder and the Company shall be written in English language. Any printed literature furnished by the bidder may be written in another language provided that this literature is accompanied by an English translation in which case for purpose of interpretation of the bid, English translation shall govern.

**37. Vehicle Applied by Authorized dealer of local manufacturer :**

In case of vehicle supplied by authorized dealer of local manufacturer, the authorized dealer will be responsible to get the vehicle (s) registered through Excise Department Government of Sindh and provide Original Registration book / Original Registration Invoice / Tax payment receipt / other related documents & provide the vehicle (s) number plate (s) to SSGC. Registration fee will be reimbursed by SSGC subject to submission of Government of Sindh Excise Department receipt.

## Additional Terms for Tenders on F.O.B.JC&amp;F basis:

## 1. Submission of bids:

- 1.1 Bid bond (Earnest money) @ 2% of the total F.O.B value as per clause 9, of section 1 of "General terms & conditions" is required to be submitted with the bid. It may be noted that bids without bid bond will be rejected and returned to bidder.
- 1.2 In case the bidder is manufacturer the bid shall either be completely prepared by the foreign bidder including signing and stamping of all documents. In case, such documents are being signed by the local agent of the bidder, the bid shall essentially include supplier's original Performa invoice and an original authority letter in favor of local agent to sign the documents on their behalf. The bid is liable for rejection if these conditions are not met.
- 1.3 In case of Bidder offering to supply goods which the bidder did not manufacture or otherwise produce, the bidder shall be duly authorized by the goods manufacturer or the producer to submit bid or supply the goods on their behalf.
- 1.4 Bids shall be submitted (preferably through local agents) in two copies, (original + copy).
- 1.5 The price on unit (O&F and C&F basis is to be quoted separately. Following are to be essentially indicated in the bid form:
  - 1.5.1 Country of origin.
  - 1.5.2 Port of shipment.
  - 1.5.3 Estimated gross/net weight, dimension & volume of offered item and estimated weight of each item.
  - 1.5.4 Delivery period or schedule of bulk quantities.
  - 1.5.5 Original technical literature.
  - 1.5.6 Beneficiary's complete address.

1.6 Foreign bank charges and L/C confirmation charges will be borne by the supplier.

## 1.7 Bid Currency:

The rates shall be quoted in bidder's home country or in United States Dollars. A bidder expecting to incur a portion of its expenditures in the performance of the contract in more than one currency and wishing to be paid accordingly shall indicate the same in their bid. However, bidder from Pakistan would be paid in Pak Rupee.

(Clause 1.5 of General Terms & Conditions is not applicable)

## 2. Bid bond:

- 2.1 Bid bond shall be equivalent to two percent (2%) of the total F.O.B value, in favor of Sui Southern Gas Company Limited and shall be in the form of pay order, demand draft, call deposit receipt or a bank guarantee (specimen attached at Annexure-A), issued by a scheduled bank in Pakistan. The bid bond shall remain valid for 120 days (150 days in case of Single Stage Two Envelope Bidding procedure) unless specified otherwise. The bid bond shall be returned/refunded to the unsuccessful bidders while the bid bond of the successful bidder shall be retained, till submission of Performance bond. Bids without bid bond will not be considered. In case the order value is less than US\$25,000 the bid bond in lieu of performance bond, will be retained till fulfillment of obligations by the supplier. However, in either case the bidder is responsible to arrange the extension of bid bond validity as per requirement. If bid bond submitted by the supplier is more than 2% of ordered value, it may be replaced with appropriate value. Bid bonds of non-compliant bidders may be released during evaluation process. The bid bond shall be denominated in the currency of the bid or any other freely convertible currency.

- 2.2 Bid submitted on behalf of different principals shall be required to submit separate bid bond along with the bid for each offer.

(Note as mentioned at Clause 9, 9.1 & 9.2 of General Terms & Conditions shall also apply).

## 3. Conversion to single currency:

In order to carry out evaluation and comparison, the Company will convert all bid prices expressed in various currencies to Pak Rupees at the buying exchange rates established by the State Bank of Pakistan or any other commercial bank in Pakistan for similar transactions on the date of opening of bids. In case of Two Envelope Bidding System, the exchange rates prevailing at the time of opening of Technical Proposals will be used for conversion and evaluation.

#### 4. Evaluation Criteria:

- 4.1 The evaluation of bids will be carried out on C&F / landed cost basis, however purchase order will be placed on FOB price on freight to collect basis. The bidders are required to submit best freight charges obtained by them from Pakistan National Shipping Corporation (PNSC) in order to have a uniform basis to arrive at C&F cost. Bill of lading to indicate "freight payable by the consignee at destination" in local currency. Foreign currency exchange rate (selling) will be considered as of bid "opening date".
- 4.2 In the case of goods to be offered from outside Pakistan, custom duties and other similar import taxes which are applicable shall be added to the bid.
- 4.3 In case shipment by air it shall be arranged through Company's airfreight forwarder (s) or their nominated agent. "on freight to collect basis".

(Clause No. 14.3 to 14.4 of General Terms & Conditions are also to be applicable).

#### 5. Loading of Bids

Freight charges from port of loading up to Karachi port or unit C&F value must be indicated in bid form, failing which bid will be loaded by 5 to 10% freight charges. Bid will be declared non-compliant if loading results an extensive increase in price of material.  
(Clause 15 of General Terms & Conditions is also applicable).

#### 6. Performance bond:

- 6.1 In case purchase order value is US\$ 25,000/- or above or equivalent for other currencies, letter of intent will be issued to successful bidders on submission of performance bond guarantee which is to be submitted within 15 days from receipt of L.O.I. The successful bidders shall submit a performance bank guarantee (P.B.G) in the form of bank guarantee specimen attached at Annexure-B) issued by a scheduled bank in Pakistan, for an amount equivalent to 10% of the total value of the purchase order or as specified, in the letter of intent. The performance bond unless specified otherwise, shall remain valid till:
  - 6.1.1 Completion of final satisfactory delivery in case of consumable items.
  - 6.1.2 12-18 months from the date of satisfactory delivery of the equipment/machinery.
  - 6.1.3 Satisfactory delivery/installation of system in case the installation liabilities will be on supplier's part.
  - 6.1.4 120 days in case of chemicals.
- 6.2 The Letter of Credit shall be operative upon receipt of Performance Bond (as specified in para 6.1) and integrity pact, any delay due to late submission of Performance Bond will be on supplier's account. Late submission of PBG should not affect the delivery schedule.
- 6.3 The performance bond shall be denominated in foreign currency or in currency of the contract/purchase order or in a freely convertible currency acceptable to the Company and shall be in the form of a bank guarantee.
- 6.4 In very special case subject to approval of the management, the P.B.G could be acceptable in Pak Rupee. However, an undertaking should be given by the supplier that in case of encashment of P.B.G. supplier shall deposit short fall amount due to Pak Rupee exchange rate.
- 6.5 **Warranty/Guarantee:**  
In case where performance guarantee is not applicable, the supplier shall warrant that all goods supplied under the contract/purchase order are new, unused, of the most recent or current models and all recent improvements in design and goods have been incorporated, unless provided otherwise in the contract/purchase order. This guarantee shall remain valid for a period of twelve to eighteen months after the goods have been delivered or commissioned.  
(Clause 16.2 to 16.8 of General Terms & Conditions are also applicable).

#### 7. Delivery:

- 7.1 In case of "FOB" order/contract, shipment(s) shall be effected per vessel of Pakistan National Shipping Corporation (PNSC) owned or chartered vessels on "freight to collect" basis. Bill of lading to indicate "freight payable by the consignee at destination". In case goods ready for shipment and the PNSC vessel is

not available at port of loading, supplier shall intimate the same to Company immediately so that matter could be taken with PNSC in Pakistan.

7.2 In case of C&F order/contract, the supplier hereby guarantees/ensure:

- 7.2.1 To use clean and dry vessel suitable for marine transportation and shall not use tramp vessels.
- 7.2.2 The goods/material will be shipped/dispatched with all care and diligence at their risk & cost and goods to be stored below deck. Accordingly, the supplier shall be responsible for all damages/losses during inland and marine transportation from the supplier's plant until arrival at Karachi port.
- 7.2.3 To provide as part of its work all services and functions related to handling, loading, unloading, lashing and securing in ship's holds and all costs, charges and expenses of which shall be included in the purchase order/contract price, unless otherwise specified.

7.3 In case of FOB order/contract, the supplier's obligations shall be over after the goods have crossed the ship's rails. The co-ordination, scheduling and lining-up for a PNSC vessel shall be the obligation of the supplier.

7.4 The supplier shall reimburse the Company all additional duties, taxes and other such charges paid by the Company on account of short shipment by the supplier for all items subsequently shipped on a no-charge basis or otherwise by the supplier. The supplier shall also reimburse the Company all additional duties, taxes and other such charges paid by the Company on account of incorrect invoicing by the supplier.

7.5 Shipment shall be deemed to have been made when the supplier has shipped the goods against a clean bill of lading and all other such documentation, as specified in clause 9.3 & 9.4 appearing next in sequence) have been furnished to the Company.

7.6 The supplier shall ensure that all above mentioned acts and other incidental and ancillary functions are conducted in accordance with sound and acceptable engineering practices. The Company shall be entitled to oppose any incorrect or inadequate practice adopted by supplier in this respect and the supplier shall take corrective action/measure forthwith to correct such omissions. If any goods are discovered to be damaged or unacceptable at the point of loading, the supplier shall be responsible for replacement free of all charges and costs to the Company within the delivery period specified in the purchase order/contract.

#### 8. Insurance:

8.1 All goods supplied under the purchase order/contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture, acquisition, transportation, storage and delivery in the manner specified in delivery clause 7.

8.2 Marine Insurance shall be the responsibility of the Company unless otherwise specified.

8.3 The supplier shall advise the Company by fax at least seven (7) days prior to the expected date of shipment, the following particulars:-

- 8.3.1 Name of the vessel and of the shipping company.
- 8.3.2 Age of the vessel (which should be less than 20 years).
- 8.3.3 Lloyds 100A1 or equivalent classification of the vessel.
- 8.3.4 ETD from Port of dispatch and ETA at Karachi
- 8.3.5 FOB/C&F value of the consignment.

The above information shall also be transmitted to the Company's underwriter M/s. National Insurance Corporation by fax No. 0092-21-9202779 and to the Company referring Policy No. NIF/M/K/OP/002/73.

#### 9. Payment:

9.1 Payment of FOB/C&F prices shall be made in the currency of bid through an irrevocable letter of credit (L/C) established in favor of the supplier, negotiable through the bank of their choice. Bidder shall indicate full name and address of the negotiating bank and the place at which they wish to negotiate the letter of credit. All bank charges outside Pakistan will be on supplier's account and all bank charges within Pakistan will be at Company's account. If confirmed letter of credit is required then charges for confirmation will be on supplier's account.

9.2 The supplier's request (s) for payment shall be made to the Company in writing as follows:

- 9.2.1 It shall be accompanied by an invoice describing, as appropriate, the goods delivered and the services incurred and by shipping documents submitted pursuant to Clause 9.4 hereof and upon fulfillment of other obligations stipulated in purchase order/contract.
- 9.2.2 Against shipping documents on arrival of ordered material at consignee destination. Bidder (s) will have to clearly mention, if they wish to opt for this mode of payment

9.3 The letter of credit shall be available upon presenting the following documents to the negotiating bank within 15 days of the date of the bill of lading covering shipment of each consignment:

- 9.3.1- Invoice ----- 4 copies
- 9.3.2- Packing list ----- 4 copies
- 9.3.3- Bill of lading "freight to be paid by consignee at destination" evidencing shipment in terms of the purchase order to Karachi-Pakistan made copies. out to order in the name of Co.'s bank, Notify party Sui Southern Gas Company Ltd., ----- 3 originals & 6 non-negotiable
- 9.3.4- Certificate of Origin (Verified/ Endorsed by Chamber of Commerce) ----- 2 copies
- 9.3.5- Manufacturers test certificate/ ----- 2copies Inspection report.
- 9.4 Without prejudice to the supplier's responsibility for providing documents mentioned as at 9.3.1 to 9.3.5 above to bank, the supplier shall forward the following non-negotiable documents directly to Company immediately after shipment so as to reach the Company at least 15 days prior to the arrival of the vessel at Karachi port.
- 9.4.1 -Invoice ----- 6 copies
- 9.4.2 -Bill of Lading ----- 6 copies
- 9.4.3 -Packing List ----- 6 copies
- 9.4.4 -Certificate of Origin (Verified /Endorsed by Chamber of Commerce) ----- 2 copies
- 9.4.5 -Manufacturers Test Certificate/ ----- 2 copies  
Inspection Report.
- 9.4.6 The invoice to be exactly as per order/contract. Any deviation which render or cause the company to pay demurrage or any other charges with respect to clearance/handling etc. will be borne by the supplier.
- 9.5 No payment hereunder shall be deemed to be accepted by the Company of the goods covered by such payment nor release the supplier from responsibility thereof under the terms of the purchase order/contract.
- 9.6 If the Company is compelled to pay demurrage or storage charges or incurs any loss or suffers any damage at Karachi Port on account of non-compliance by the supplier of above requirements, the Company shall be entitled at their sole discretion to recover the same amount from supplier.
10. Termination of purchases order by supplier:
- 10.1 The supplier shall have the right to terminate the contract/purchase order if:-
- 10.1.1 The Company fails to establish the letter of credit within the stipulated period as required under clause 9.1 hereof after the supplier has made compliance with the provisions of clause 6.
- 10.1.2 The Company becomes bankrupt or insolvent or makes an assignment for the benefit of its creditors.
- 10.1.3 The Company is in default and breach of its obligation and liabilities under the contract/purchase order.
11. Installation/Commissioning/Trainings  
If installation/commissioning and training is required, the charges will be paid in Pak Rupee and will be subject to deduction of all local duty and taxes (as applicable).
12. Vehicle (s) supplied by foreign manufacturer / principal:
- 12.1 In case of supply of any type of vehicle (s) / earth moving vehicle (s) by the foreign principal / manufacturer. After clearance of vehicle from the custom, the local agent of the foreign supplier / manufacturer / principal will be completely responsible to get the vehicle (s) registered through Excise Department Government of Sindh and provide Original Registration book / Original Registration Invoice / Tax payment receipt / other related documents & provide the vehicle (s) number plate (s) to SSGC. Registration fee will be reimbursed by SSGC subject to submission of Government of Sindh Excise Department receipt.
- 12.2 The bidder / supplier shall quote only those vehicle (s) / which fully comply to Pakistani environment and can operate in Pakistan. The bidder should ensure that vehicle (s) consumable i.e (fuel/oil & lubricant/ spares) are easily available in Pakistan.

undertake as follows:

To make unconditional payment of Rs. .... upon your written demand without further  
recourse, question or reference to the Bidder or any other person in the event of withdrawal of the aforesaid  
bid by the Bidder before the end of the period specified in the bid after the opening of the  
same for the validity thereof or if no such period to be specified within 90 days (150 days in case of Single Stage Two  
Envelope bidding procedure) after said opening and or in the event that the Bidder shall within the period  
specified therefore or if no period specified within 15 days after the prescribed forms are presented to the  
Bidder for signature the Bidder shall fail to execute such further contractual documents if any, as may be  
required by the terms of the bid as accepted or on the Bidder failure to give the requisite Performance Bond as  
may be required for the fulfillment of resulting contract.

To accept written intimation (s) from you as conclusive and sufficient evidence of the existence of a default  
of non-compliance as aforesaid on the part of Bidder and to make payment accordingly within 03 days of the  
receipt of the written intimation.

No grant of time or other indulgence to, or composition or arrangement with the Bidder in respect of the  
aforesaid Bid with or without notice to us shall in any manner, discharge or otherwise, howsoever affect this  
Guarantee and our liabilities & commitments hereunder.

This Guarantee shall be binding on us and our successors in interest and shall be irrevocable.

Yours faithfully,

## (Format of Declaration)

General Manager (Procurement)  
Sui Southern Gas Company Limited,  
ST. 4/B, Block-14, Gulshan-e-Iqbal,  
Sir Shah Suleman Road, Karachi,  
Dear Sir,

**Declaration**

(the Seller/Supplier) hereby declares its intention not to obtain or induce the procurement of any contract, right, interest, privilege or other obligation or benefit from Sui Southern Gas Company Limited or any administrative subdivision or agency thereof of any other entity owned or controlled by it (SSGC) through any corrupt business practice.

Without limiting the generality of the foregoing, (the Seller/Supplier) represents and warrants that it has fully declared the brokerage, commission fees etc. paid or payable to anyone and not given or agreed to give and shall not to give or agree to give to anyone within or outside Pakistan either directly or indirectly through any natural or juridical person, including its affiliate, agent, associate, broker, consultant, director, promoter, shareholder, sponsor or subsidiary, any commission, gratification, bribe, finder's fee or kickback, whether described as consultation fee or otherwise, with the object of obtaining or inducing the procurement of a contract, right, interest, privilege or other obligation or benefit in whatsoever form from SSGC, except that which has been expressly declared pursuant hereto.

(The Seller/Supplier) certifies that it has made and will make full disclosure of all agreements and arrangements with all persons in respect of or related to the transaction with SSGC and has not taken any action or will not take any action in circumvent the above declaration, representation or warranty.

(The Seller/Supplier) accepts full responsibility and strict liability for making any false declaration, not making full disclosure, misrepresenting facts or taking any action likely to defeat the purpose of this declaration, representation or warranty. It agrees that any contract, right interest, privilege or other obligation or benefit obtained or procured as aforesaid shall, without prejudice to any other rights and remedies available to SSGC under any law, contract or other instrument, be voidable at the option of SSGC.

Notwithstanding any rights and remedies exercised by SSGC in this regard, (The Seller/Supplier) agree to indemnify SSGC for any loss or damage incurred by it on account of its corrupt business practices and further pay compensation to SSGC in an amount equivalent to ten times the sum of any commission, gratification, bribe, finder's fee or kickback given by (The Seller/Supplier) as aforesaid for the purpose of obtaining or inducing the procurement of any contract, right, interest, privilege or other obligation or benefit in whatsoever form from SSGC.

Yours faithfully,

Signature & Stamp (The seller/supplier)

Note:

1. The above declaration is required to be submitted by the Successful Bidder after issuance of Purchase Order (PO) or Letter of Intent (LOI) on Bidder's letter head, for purchase order / letter of intent of a total value of Rs. 10,000,000/- (Ten million) or above.
2. Please note that submitting the declaration is a mandatory requirement.

Tender Enquiry No. SSGC/FP/\_\_\_\_\_

**Special Conditions of Tender Document**

**Note:** In case of any conflict between Special Conditions of Tender Document and any other terms & conditions, the Special Conditions of Tender Document will govern / prevail.

**1. Warranty / Guarantee Coverage**

- i) The successful bidder / supplier guarantee that the goods supplied against above tender enquiry are in all respect in accordance with the tender specifications & Purchase Order and that material used are in accordance with the latest approved standards and are of good workmanship / quality. Any item or part of item if found to be substandard or not meeting the specified criteria as per pre-shipment / post shipment inspection report, than in such as event the Supplier / Bidder hereby warrants and undertake to replace the same on Duty Delivery Paid (DDP) basis (INCOTERMS 2010) i.e. free of all cost including but not limited to transportation, taxes and levies. In case successful bidder / supplier failure to replace the defective item /remove the defect(s) free of cost within the period specified by the Purchaser, the successful bidder / supplier will refund the relevant cost including all other expenses incurred by the purchaser in this regard.
- ii) The successful bidder / supplier must confirm that the warranty for no-consumable items will remain valid for 18 months and for consumable items (i.e. Chemical, Battery etc.) will remain valid for 6 Months after the goods have been successfully delivered or commissioned.
- iii) It is mandatory that the successful bidder / supplier will submit the attached undertaking at Annexure-II, duly filled, signed & stamped.
- iv) In case where performance bank guarantee is not applicable, the supplier shall confirm that all supplied goods under the contract / purchase order are new, unused, of most recent or current models and incorporate all recent improvements in design and goods unless and otherwise provided in the contract / purchase order.
- v) The Warranty Undertaking being provided by the local agent of the successful bidder (Principal) is required to be submitted at least on Rs.200/- Non-judicial Stamp paper and should be duly notarized / attested. In the event when this Warranty Undertaking is being submitted by the principal who is overseas resident in that case the same would required to be notarized by the notary public and duly attested by the Pakistan Embassy or High Commission in that particular jurisdiction. Needless, to mention that in both cases the Warranty Undertaking will be executed by the duly authorized representative of the local agent or the principal as the case may be.

**2. Bid Security:**

- a) Bid bond submission (2%) of the bid amount as mentioned in the clause 1.1 & 2 of Additional Terms for tender on F.O.B/C&F basis & 9 of General Terms & Conditions, to be treated as null & void, however, other contents of clause 1.1 & 2 of Additional Terms for tender on F.O.B/C&F basis & 9 of General Terms & Conditions will remain unchanged. The submission of fixed amount of bid security is appearing in the Price Schedule/BOQ.
- b) All the bidders are advised to furnish fixed bid security (Original Instrument) as per amount in Pak Rs. Or US\$ appearing in price schedule/BOQ failing which their bid will be rejected.
- c) In case the bidder submit bid in the currency other than Pak Rs. Or US\$ their bid bond shall be equivalent after the conversion to the amount of fixed bid bond given in Pak Rs. Or US\$ as mentioned in Price Schedule/BOQ. The exchange rate (issued by the Treasury Management Group of the National Bank of Pakistan or the State Bank of Pakistan selling rate) prevailing at the time of bid opening date will be applicable.
- d) The submission of fixed amount of bid security is also mandatory for all the bids valuing Rs.500,000/- or less.
- e) The word lowest bidder or the lowest evaluated bid has been substituted to read as most advantageous bid.
- e) Sub-clause 9.2 of the General Terms & Conditions to be treated as null & void, however other contents of clause 9 will remain unchanged.

**3. Method For Submission of Bid Bond (Under Single Stage Two Envelope Bidding Procedure):**

In case of Single Stage Two Envelope Tenders the fixed bid bond as per clause#09 of General Terms & Conditions and Clause# 02 of Additional Terms for tenders on FOB/ C&F basis to be placed in the Technical Proposal. However, if the bid bond is placed in the Financial proposal will also be considered. Without submission of bid bond (either in Technical proposal or Financial proposal) the bid will be rejected.

**4. Bid Validity:**

All offers shall remain valid up to 120 days from the date of opening of bids and bid bond shall remain valid for 150 days.

**5. Evaluation Criteria and Comparison of Bids**

In accordance with SRO 827 (1) / 2001 bidders tendering for Engineering goods produced in Pakistan and those Engineering goods specified in CGO-11 and amendments thereof by the Central Board of Revenue or Engineering Development Board. The successful bidder shall be accorded a Price preference in rupees up to a specific percentage (in proportion to the value addition) of the lowest quoted landed cost of an item of foreign origin with similar specifications as mentioned in the tenders

- i) Provided that:-
- The saving in foreign exchange is not less than the amount of price preference;
  - It is ensured that, in each case of such preference, the total import requirements for producing the supplies tendered for locally manufactured items has been duly indicated by the bidders.
- ii) Price preference shall be allowed as under:-
- Having minimum of twenty percent value addition through indigenous manufacturing, price preference shall be fifteen percent;
  - Having over twenty percent and up to thirty percent value addition through indigenous manufacturing, price preference shall be twenty percent, and
  - Having over thirty percent value addition through indigenous manufacturing, price preference shall be twenty five percent.
- iii) For the above purpose, we will require a complete breakdown of ex-factory price for goods manufactured in Pakistan. Any offer not accompanied with this cost breakdown will not be allowed to receive the above price preference.
- iv) Benefit of SRO 827 (1)/2001 shall be accorded to only those local manufacturers who are engaged in the manufacturing of goods specified in CGO - 11 of 2007 or its latest version or as certified by the EDB. However in case of offer on FOB basis, the landed cost to be determined in accordance with the following criteria be taken for evaluation in case of International bidders, and shall be taken for the purpose of comparison with the price quoted by local manufacturers, who shall also be accorded the price preference in terms of SRO 827 (1)/2001. The landed cost determined in accordance with the afore said criteria shall be taken for bid evaluation in case of international bidders, and shall be taken for the purpose of comparison with the price quoted by the local manufacturers. Example of landed cost for evaluation of the international bidders is given here under:

**EXAMPLE**

S. No.	Cost Components for computing landing cost of imported Engineering goods in terms of S.R.O 827 (1)/2001 in Pak Rupees.
i.	FOB Value.
ii.	Sea Freight (Actual quoted by the bidder on the basis of PNSC rates, which shall be announced by the bidder at the time of opening of the bid).
iii.	C&F value (i + ii). (CFR value).
iv.	Insurance @ 1% of C&F Value given at iii above.
v.	CIF value (iii + iv).
vi.	Handling Charges @ 1 % of CIF Value given at v above.
vii.	Import Value (v + vi) for the purposes of levying Customs Duty.
viii.	Customs Duty at applicable rate, which shall be calculated on the import value given at vii above.
ix.	Duty Paid Value.
x.	Sales Tax at applicable rate, which shall be calculated on the duty paid value given at ix above.
xi.	Duty & Sales Tax paid value (ix + x).
xii.	Withholding Tax at applicable rate, which shall be calculated on duty and sales tax paid value given at xi above.
xiii.	LC Charge @ 0.25% of FOB Value given at i above.
xiv.	Clearing Charges @ 0.25% of C&F Value given at iii above.
xv.	SED at applicable rate, Which shall be calculated on the import value given at vii above to be taken as nil as it stands withdrawn.
xvi.	Provincial Infrastructure Cess (at applicable rate) on %age of import value given at vii
xvii.	KPT Wharfage @ Rs.140 per cubic meter or the prevailing rate.
xviii.	Cranage Loading & Other Charges @ 0.25% of C&F Value given at iii above.
xix.	Inland Transportation Charges from Port to Coating Factory (From Port of final destination in case of products other than pipes, where coating is not required).
xx.	Cost of imported engineering goods (xi to xix).
xxi.	LESS: Handling Charges taken at Sr. No. vi (Notional Value taken for calculating assessed value for purpose of calculating custom duty, sales tax and withholding tax by the customs authority).
xxii.	LESS: Sales tax taken at x above. (Adjustable as output tax).
xxiii.	LESS: With Holding Tax. (Adjustable against final assessed tax).
xxiv.	Total deductions (xxi + xxii + xxiii)
xxv.	Net cost of imported engineering goods (xx minus xxiv)

- v) Foreign bidders are essentially required to submit letter of PNSC for ocean freight transportation rate for break bulk/hedges from their local agent.
- vi) Please indicate approximate shipping specification, i.e. weight and measurements of the packages/bundles and also total gross weight (in terms of metric tons), and total gross volume (in terms of cubic meters) of each consignment separately.
- vii) For evaluation of bids customs duty, taxes and all other charges prevailing on the date of public opening of bids will be used, where applicable.
- viii) For the purpose of price comparison and evaluation of bids, financial charges will also be added to arrive at a landed cost, which will inter-alia include, mark up and L/C opening charges etc.

- ix) If the local manufacturer becomes the lowest evaluated bidder after Price Preference, order will be placed at the price (landed Cost) quoted by the lowest evaluated international bidder. In case the local bidder does not accede to the request of SSGCL for best negotiated rates at par with those received from International bidder for particular item(s) then, the order will be placed on the lowest evaluated international bidder.
- x) "Price Preference" shall not be in "Value Terms" it should only be for the sake of reference for comparison purposes (local & foreign bids).
- xi) Bank details shall be mentioned by the bidders for the purpose of opening LC/ Payment.
6. **Declaration / Integrity Pact / Certification:**  
it is required to be submitted by the Successful Bidder on their letter heads after issuance of Purchase Order (PO) or Letter of intent (LOI) for the value of Rs.10,000,000/- (Ten Million) or above in case of local bidder and US\$ 100,000 & above in case of foreign bidder.  
Submission the declaration as at ANNEXURE-C is a mandatory requirement for successful bidder.
7. **Third Party Pre-Shipment Inspection Criteria / Scope of Work as given in the Tender Documents will be followed at the time of Third Party Inspection, which will be carried out by SSGC nominated Third Party Inspection Firm in case the order value exceeds US\$100,000 except screwed pipe fitting tenders.**
8. ***"The successful Bidder shall provide the revenue stamps and copy of challan, of value at the rate of twenty Five (25) paisa per every Hundred Rupees or part thereof of the amount of the purchase order, or at the prevailing rate as specified by the Government of Province of Sindh." Further as per Government of Sindh Board of Revenue notification NO.CIS/SW/100/R&T-17/2022-808 dated 08-06-2022 all judicial and non-judicial stamp paper of the denomination of rupee five hundred and above shall be exclusively on e-stamp.***
9. ***Bank Guarantee (Bid Bond) Guarantee/Performance Bank Guarantee) will be made on Non-Judicial stamp paper at the prevailing rate as specified by the respective Provinces. Further the bidder/contractor submitting the Bid Bond guarantee/Performance Bond Guarantee being prepared by the State Bank's schedule banks should ensure that there should be no deletion/insertion/alteration/modification of any terms in the Bid Bond/PBG guarantee format as given in the tender document or else bid will be liable for rejection.***
10. ***"Original counter slip of token which is issued with original tender document to be attached on the TOP of envelope at the time of bid submission."***
11. **Cancellation of Purchase Order**  
In case the supplier fails to deliver the material within the specified delivery schedule as given in Purchase order (P.O.) and maximum upto 120 days after the expiry of the specified delivery schedule as per Purchase Order, the Purchase Order will be treated automatically as cancelled at supplier's risk & cost. However, for the sake of clarity liquidated damages (Clause-27 of General Terms Conditions) and Default by Supplier (Clause-28 of General Terms Conditions) will be treated as given in the General Terms & Conditions of the tender documents.
12. **Correct Postal Address**  
Bidders are essentially required to provide correct and latest postal, e-mail & web addresses, phone/cell/fax numbers at the time of purchase of tender documents for effective and timely communication, failing which in event of any non-delivery of information / communication the procuring agency will be considered as non-responsive.
13. In case the local agent requires to offer bid from more than one principal / Manufacturer, it is mandatory to purchase separate tender document for each principal / Manufacturer, failing which the bid submitted with the original tender document will only be accepted and the bid with photocopy of tender document will be rejected.
14. **Blacklisting Mechanism of Suppliers and Contractors and their Local Agent.**  
***Black listing mechanism is attached separately in the tender documents which will become an integral part of Tender Documents and now be followed / enforced in true letter & spirit and supersede the Black listing terms as mentioned in the General Terms & Conditions.***
15. ***The Successful Contractor(s) / Supplier(s) / Consultant(s) shall submit a copy of Professional Tax Certificate with their Invoices / Bills failing which the payment will not be released.***
16. **Authentications of Performa Invoice / Authority Letter and other documents by the Principal / Manufacturer:**  
The Authentication of Authority Letter and Performa Invoice will be obtained from the Principal / Manufacturer as and when required. If the authentication not received within the stipulated time frame the bid will be liable for rejection and the Bid Bond / Earnest Money will be encashed.
17. **Bid Bond & PBG (Performance Bank Guarantee) for Proprietary Tenders**  
***In case of proprietary Tenders, the Bid Bond & Performance Bank Guarantee (PBG) are not required / Applicable.***
18. ***Any Bidder who change / amend the BOQ / Price Schedule (description / Bid Form, Quantity, UOM etc.) will render the bid as conditional bid and will be liable for rejection.***
19. ***Delivery Schedule will commence after the opening of Letter of Credit (LC). In case the bidder does not submit the performance bond as specified, the delivery time of goods shall be deemed to have commenced 10 days (15 days in case of import) from the issuance of letter of intent / purchase order. The proceeds of the performance bond shall be payable to the Company as compensation for any loss resulting from the supplier's failure to complete its work under the purchase order / contract.***

20. In the event of release of Performance Bank Gurante (PBG) after its encashment, the amount of the PBG to be released will be converted in Pak Rupees at the exchange rate prevailing at the time of encashment. The amount so converted will be released in Pak Rupee (PKR) to the foreign bidder or to their local agent duly authorized by the foreign principal.
21. SSGC will not pay invoices if they are turned in after 6 months of work completion / material delivered.
22. As per FBR Regulations Ref# C.No.4 (24) IT- Budget/2021-142150-R, Dated: 23<sup>rd</sup> September, 2021 to make the payment online. Therefore, all the local manufacturers are required to provide their only one Bank Account number (IBAN number) on the 'FORM-X' attached duly signed & stamped as one time information, which shall be firm (not changeable) for all the future payment transactions. . .
23. It is mandatory for the bidders to follow all the terms and conditions given in the tender documents without any addition / deletion / amendment and submit the bid accordingly. Therefore, in this context, the bidders are requested not to give their own terms and conditions as it tantamount towards the conditional bid. Otherwise their terms and conditions will not be considered and the Purchase Order / Contract will be awarded based on only as per SSGC tender terms and conditions.

24. **Payment:**

The supplier after delivery of goods and its acceptance shall submit invoice to Finance Department of the Company, containing following information i.e:

(a) Purchase Order No. & date	(b) Items	(c) Quantity	(d) Price	(e) Invoice value
(f) Point of delivery	(g) Delivery challan indicating delivery date, etc.			
(h) Supplier(s) are required to submit signed and stamp acknowledgement slip, Sales Tax return, Annex "C" & Annex "I" (wherever applicable) in which Sales Tax (of relevant Sales Tax invoice) is paid.				

Payment will be made within 30 days of completion of stated requirements.

25. **Joint Ventures:**

In the event that the bidder is bidding as a Joint Venture, the Company will require the joint venture agreement duly executed by the parties to the Joint Venture to be submitted with the bid. The joint venture parties shall also furnish an undertaking to be jointly and severally liable for all liabilities arising out of obligation under the Purchase Order / Contract. The Joint Venture agreement of the parties must specify share of each partner and name of the lead partner along with their registration with the FBR, SST and SST as the case may be failure to specify these two narrations the joint venture agreement will not be entertained.

26. In case the insurance policy submitted by the contractor is expired during the execution of job, it is the responsibility of the user department to coordinate with the contractor to get it renewed/updated till the period the job is completed/commissioned.

In case the job is not completed within the given time as per tender terms and the insurance policy submitted by the contractor expires, the contractor is liable to get this insurance policy renewed / updated immediately till the period of the job is completed / commissioned as per tender terms failing which the contractor will be responsible for any loss to SSGC.

27. Bidders can quote their rates on both i.e. Price Schedule as well as Bid on Quantity (BoQ).
28. Company reserve the right to award the Purchase Order /LOI to the most advantageous bidder.
29. As per SRO 592(I)/2022 of PPRA Regulations, for Procurement Contracts/Purchase Orders worth of Rs. 50 million and above, bidders/contractors are required to submit the Beneficial Owner's Information for Public Procurement Contracts/Purchase Orders (Annexure-I).
30. In case quoted item(s) falls under SRO No. 604 (see attachment) i.e. Solar Power System PV Module/Cells and allied accessories/parts/spares etc. - then in that case supplier is responsible to fully comply stated SRO and to arrange, provide and bear all associated costs for all necessary test reports, certificates, pre-shipment inspection reports, other documents etc. (as mentioned in SRO). Further, Pre-shipment Inspection should be from approved companies as mentioned in Appendix H of Import Policy Order (see attachment).

31. **Fixed Bid Security – Alternative Bid**

A bidder cannot submit two bids/offers with a single fixed bid security/pay order. However, the alternative bids/offers with separate fixed bid security/pay order can be accepted, failing which the bids will be liable for rejection. In case the bidder quote different make/brands/model that will also be considered as an Alternative bid/offer and require to submit separate Bid bond for each make/brand/model.

32. Bidder will be blacklisted and henceforth cross debarred for participating in respective category of Public Procurement proceedings for a period of (not more than) six months, if fail to abide with a bid securing declaration (which is an integral part of tender document), however, without indulging in corrupt and fraudulent practices, if in breach of obligation(s) under the Bid conditions:

a) The bidder have withdrawn or modified their bid during the period of bid validity as specified in the tender terms.

- b) Having been notified of the acceptance of bid by procuring agency during the period of bid validity (i) failure to sign the contract or accept purchase order (ii) fail or refuse to furnish the performance security or to comply with any other condition as mentioned in the tender document.
33. Wherever the "Rate Only" is mentioned (either on BOQ or anywhere in tender documents) the same shall only be applicable not exceeding 15% of the original procurement for the same items as given in the BOQ for package basis. In case the requirement is on item wise basis (not package basis) then not exceeding 15% of the original Procurement for the same items (on item wise basis) as given in the BOQ.
34. **Lots:** In case when the tender is floated on LOT basis, following clauses to be applied:
- a) The bidder(s) are essentially / mandatorily required to submit fixed bid bond as mentioned in the bid form/BOQ/Invitation to Bid. Separate fixed bid bond to be submitted against each individual LOT and its validity to be 150 days at the time of opening of technical proposal.
- b) Evaluation for each LOT will be carried out separately. Each LOT will be awarded separately.
35. For open competitive bidding if the most advantageous bidder is new local manufacturer, 10% trial order will be placed and remaining 90% order will be awarded to the next most advantageous bidder at their own quoted rates.
36. Subsequent to the issuance of Purchase Order/LOI, successful bidder has to submit 10% Performance Bank Guarantee of the Purchase Order/LOI value unless & until specified in the Tender Documents. Clause# 16.1.5 mentioned in General Terms & Conditions to be treated as null & void.
37. Where the Pre-shipment inspection is applicable and in case of partial shipment is required by the bidder the cost of the 1<sup>st</sup> Pre-shipment inspection will be borne by SSGC, whereas, cost of the 3<sup>rd</sup> Party inspection for the remaining shipment(s) will be borne by the bidder/manufacturer.
38. Purchase order value mentioned in clause # 6 of sub-clause # 6.1 (Performance Bond) of Additional Terms for Tenders on FOB/C&F basis (Section-1A) to be read as US \$ 10,000 instead of US \$ 25000. However, other contents of clause & sub-clauses of 6 (Performance Bond) of Additional Terms for tender on F.O.B/C&F basis will remain unchanged.
39. Redressal of Grievances And Settlement of Disputes:
- Any bidder feeling aggrieved by any act of the procuring agency after the submission of his bid may lodge a written complaint concerning his grievances within seven days of announcement of the technical evaluation report and five days after issuance of final evaluation report.
  - In case, the complaint is filed against the technical evaluation report, the GRC shall suspend the procurement proceedings.
  - In case, the complaint is filed after the issuance of final evaluation report, the complainant cannot raise any objection on technical evaluation of the report. Provided that the complainant may raise the objection on any part of the final evaluation report in case where single stage single envelope bidding procedure is adopted.
40. The sub clauses 33.2, 33.4 & 33.5 of clause 33 of General Terms & Conditions to be treated as null & void.
41. All the bidders are allowed to participate in the subject procurement without regard to nationality/origin, except bidders of some nationality/origin, prohibited in accordance with policy of the Federal Government. Following countries are ineligible to participate in the procurement process:
- India
  - Israel
42. In Open Competitive Bidding Procedure where the quoted price is less than Rs. 500,000/- the Bid Bond will be retained in lieu of PBG.
43. In case the Bid Bond is not required, the bidder must submit the Form of Bid-Securing Declaration attached with the Tender Document else the Bid will be liable for rejection.
44. All Tenders floated through EPADS are to be governed by S.R.O. 296(I)/2023 dated: March 8, 2023 "E-Pak-Procurement Regulations 2023". In case of any conflict between SSGC Tender Terms / Instructions to Bidders and the PPRA EPADS Rules, the S.R.O. 296(I)/2023 will prevail.

45. Samples:

When sample submission is required. Suppliers/bidders must submit samples:

- a) Along with the bid, if stated in the tender documents.
- b) Within the time specified in the tender.
- c) Upon request from the User Department for technical evaluation through official email/ letters.

**SAMPLE SUBMISSION LOCATION/ DEPARTMENT:**

All samples must be submitted to the Procurement Department - Tender Room, SSGC Head Office with Duly filled in form "Y" attached in the tender document. Samples submitted other than the Procurement Department - Tender Room, SSGC Head Office will not be considered/accepted.

**The supplier/bidder must:**

- Fill in all required details (e.g., Tender No., Bidder Name, and Sample Description).
- Attach supporting documents (if required).
- Submit the completed Form-Y along with the sample.

In absence of any of the above stated requirements the Samples will not be considered/accepted.

**NOT FOR BIDDING PURPOSE**

# Form of Bid-Securing Declaration

[The Bidder shall fill in this Form in accordance with the instructions indicated.]

Date: [date (as day, month and year)]

No.: [number of Bidding process]

Alternative No.: [insert identification No if this is a Bid for an alternative]

To: [complete name of Procuring Agency]

We, the undersigned, declare that:

We understand that, according to your conditions, Bids must be supported by a Bid-Securing Declaration.

We accept that we will be blacklisted and henceforth cross debarred for participating in respective category of public procurement proceedings for a period of (not more than) six months, if fail to abide with a bid, securing declaration, however without indulging in corrupt and fraudulent practices, if we are in breach of our obligation(s) under the Bid conditions, because we

(a) have withdrawn our Bid during the period of Bid validity specified in the Letter of Bid; or

(b) having been notified of the acceptance of our Bid by the Procuring Agency during the period of Bid validity, (i) fail or refuse to sign the Contract; or (ii) fail or refuse to furnish the Performance Security (or guarantee), if required, in accordance with the ITB.

We understand this Bid Securing Declaration shall expire if we are not the successful Bidder, upon the earlier of (i) our receipt of your notification to us of the name of the successful Bidder; or (ii) twenty-eight days after the expiration of our Bid.

Name of the Bidder: \_\_\_\_\_

Name of the person duly authorized to sign the Bid on behalf of the Bidder: \_\_\_\_\_

Title of the person signing the Bid: \_\_\_\_\_

Signature of the person named above: \_\_\_\_\_

Date signed: \_\_\_\_\_ day of \_\_\_\_\_

\*: In the case of the Bid submitted by joint venture specify the name of the Joint Venture as Bidder

\*\* : Person signing the Bid shall have the power of attorney given by the Bidder attached to the Bid

[Note: In case of a Joint Venture, the Bid-Securing Declaration must be in the name of all members to the Joint Venture that submits the Bid.]

Approved By	A/SGM (TS)	A/SGM (Transmission)

1 GENERAL

1.1 Scope

The purpose of this specification is to describe the minimum functional and technical requirements for Pipe Fittings suitable for natural gas transportation.

1.2 Definitions

PURCHASER means OWNER and MANUFACTURER means CONTRACTOR/SUPPLIER/ORDERER. This definition shall apply throughout this specification.

1.3 Errors or Omissions

Any errors or omissions noted by the Contractor in this Specification shall be immediately brought to the attention of the Owner.

1.4 Deviations

All deviations to this specification shall be brought to the knowledge of the Purchaser in the bid. All deviations made during the procurement, design, manufacturing, testing and inspection shall be with written approval of the Purchaser prior to execution of the work. Such deviations shall be shown in the documentation prepared by the Contractor.

1.5 Conflicting Requirements

1.5.1 In the event of conflict, inconsistency or ambiguity between the contract's scope of work, this Specification, National Codes & Standards referenced in this Specification, the Contractor shall refer to the Owner whose decision shall prevail.

1.5.2 Some requirements in this specification may be modified by specific requirements in the Schedule of Requirement. In case of conflict, the specific requirements supersede this specification.

2 ABBREVIATIONS/SYMBOLS

For the purpose of this document, the words and expressions listed below shall have the meanings assigned to them as follows:

**3 CODES, REGULATIONS AND STANDARDS**

Manufacturer shall meet or exceed the requirements of the latest edition of the following applicable codes, regulations and standards, except as superseded herein:

- ASME B 1.1 Unified Inch Screw Threads (UN, UNR, and UNJ Thread Forms)
- ASME B 18.2.1 Square, Hex, Heavy Hex, and Askew Head Bolts and Hex, Heavy Hex, Hex Flange, Lobed Head, and Lag Screws (Inch Series)
- ASME B 18.2.2 Nuts for General Applications: Machine Screw Nuts, Hex, Square, Hex Flange, and Coupling Nuts (Inch Series)
- ASME B 2.1 Pipe Threads
- ASME B31.8, Gas Transmission and Distribution Piping Systems

Reviewed By	Mr. Faiz Ahmed DCM – P&D Transmission	Mr. Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

- ASME B31.3, Process Piping
- ASME Section VIII, Div – 1, Pressure Vessels
- ASME Section IX, Qualification Standard for Welding and Brazing Procedures, Welders, Brazers and Welding and Brazing Operators.
- ASME Section V, Non-Destructive Examination.
- ASME B16.9, Wrought Steel Butt-Welding Fittings
- ASME B16.11, Steel Socket Weld Fittings
- ASME B36.10M, Welded and Seamless Wrought Steel Pipe
- ASME B36.19M, Stainless Steel Pipe
- API 5L Specification for seamless and welded steel pipe
- ASTM Standards, as applicable
- MSS SP-75, Standard specification for high-test, wrought, butt-welding fittings
- MSS SP-25, Standard marking system applies to the marking of new valves, fittings, flanges, and unions used in piping connection

NOT FOR BIDDING PURPOSE

4 GENERAL REQUIREMENTS

- 4.1 This Specification covers the supply of Butt Welding Fittings, Stud Bolts and Nuts, Screwed Fittings (High and Low Pressure), Weld-o-lets & CP set (Flange Insulation Kit), Unibolt-Cap/Q.O.C, for API 5L X70/X80/X52 and API 5L Grade 'B' buried pipeline or above ground installations in natural gas transmission line designed for a maximum operating pressure of 1300/720/275 psig and a maximum temperature of 75°C. Design Factor for material in this specification shall be 1.0.
- 4.2 The latest editions of ANSI, API and ASTM Standards specified in this document, are the minimum accepted standards. High test wrought butt welding fittings conforming to MSS SP-75 and MSS SP-44 may be acceptable, and to be permitted.
- 4.3 The Bidder shall however, submit with his bid, copies of alternative standards in the English Language, with relevant specifications clearly underlined for easy comparison with the referenced standards. Printed technical literature for all the terms quoted will also be submitted which shall be in English Language.
- 4.4 Inspection and Testing shall be carried out by the Supplier at the manufacturing plant. All fittings and material shall be visually examined and dimensionally checked for conformity to Purchaser's specifications and tested under the applicable codes and standards to make sure they conform to their intended use.
- 4.5 The Supplier shall submit six copies of inspection and MTC to the Purchaser prior to delivery or with delivery of material. The purchaser has right to reject the consignment if bidder has failed to provide MTC. In case of Welding Fittings, Elbow, Caps, Tees and Reducers, each (such) certificate shall show the results of tests made under this

Reviewed By	Mr. Faiz Ahmed DCM, P&D Transmission 	Mr. Mehboob All Manager (Transmission) 
Approved By	A/SGM (TS) 	A/SGM (Transmission) 

specification such as yield strength, ultimate strength, elongation, toughness and correct dimensions and shall show the Purchaser's Purchase Order number.

- 4.6 All butt welding ends of welding fittings covered by this specification shall be machined, consistent with the ends of adjacent pipes or fittings of dimensions specified in the schedule of requirement, all such fittings shall be beveled for welding in accordance with figure I-4 or I-5 Appendix-I of ASME B 31.8.
- 4.7 Finished ends of such fittings shall be free from laminations or other defects and shall be inspected by ultrasonic methods over a length of 25 mm (1") from the ends.
- 4.8 Construction drawing of offered items shall be submitted by the bidder for purchaser review/approval.

**5 MANDATORY REQUIREMENTS**

- 5.1 Bids are invited directly from the Manufacturer or their authorized local agents in Pakistan. Beside local agent, principle involvement would be acceptable as regional Sales Representative, if applicable. However, in any case, Bids from stockiest and Brokers will be rejected.
- 5.2 The suppliers/local agents are required to submit valid authorization letter from the manufacturer failing which will make bid non-compliant.
- 5.3 The bidder shall provide a clear and concise, clause by clause, compliance or exception (with detail) commentary to these technical specification duly signed and stamped on each page by Manufacturer which is mandatory for technical evaluation, failing to submit this document may be considered non responsive.
- 5.4 Offered Items shall comply with the requirement of this Specification. Quoted items which do not strictly comply with the requirements of this specification are liable for rejection. However, if there is any deviation with the specification for the offered item. The bidder may submit the deviation sheet covering details of respective clause and bidder's offer against the clause. Acceptance of such deviation does not guarantee of approval and this would depend on discretion of purchaser.

**6 WELDED FITTINGS**

(Elbows, Tees, Reducers, Caps etc.)

- 6.1 All wrought fittings covered by this specification shall be in accordance with WPHY: 70/60/52/46/42 (for 16" & above), ASTM Specifications A234 WPB or A381 (for 1" to 12") or other approved Codes and as specified in Schedule of Requirement.
- 6.2 The fittings end shall be prepared in accordance with latest edition of ANSI B 16.25 and shall be suitable for welding with API 5L X70 /X60 / X52/ X42 & API 5L Grade 'B' pipes having standard thickness (as per ANSI B36.10) or as specified in the SOR.

Reviewed By	Mr. Faiz Ahmed DCM - P&D Transmission 	Mr. Mehboob Ali Manager (Transmission) 
Approved By	A/SGM (TS) 	A/SGM (Transmission) 

NOT FOR BIDDING PURPOSE

6.3 All such fittings shall be equipped with weld ends consistent with the strength and the dimensions specified for the line pipe to which said fittings will be welded. The plate offset (weld end/pipe) shall not exceed + 1.6 mm (1/16"). The chemical composition of the weld ends shall meet the following requirements:

Maximum Carbon Contents	0.22 %
Maximum Silicon Contents	0.40 %
Maximum Manganese Contents	1.50 %

6.4 All steel used for fittings under this specification shall be semi-killed or fully-killed and ladle and check analyses shall be made and the composition data shall be recorded in certificates.

6.5 All welding operation, under this specification shall be in accordance with the requirements of the American Welding Society and Section IX of the ASME Boiler and Pressure Vessel Code, Part VIII, Division 1, and all welded joints shall have a strength not lower than that of the parent metal (weld joint factor = 1).

6.6 The fitness of all welding procedures used under this specification shall be demonstrated by test welds whose strength, hardness, elongation at fracture and toughness shall be determined.

6.7 Penetration in all welding operations under the specifications shall be complete and where possible joints shall be welded from both the inside and the outside. Plate offset at all welded joints under this specification shall not exceed 10 % of the plate thickness of 2 mm (5/64") whatever may be less. The hardness of welds and the heat affected zone shall be 250 HV 10 (equivalent to 22 HRC) for welds made under this specification.

6.8 All dimensional standards and tolerances shall conform to ANSI B 16.9 (latest revision), unless otherwise specified. The internal diameter tolerance for welding ends of fittings supplied under this specification shall be according to Table 1 of ANSI B16.9 and all internal diameters shall be determined by measuring the circumference of ends.

6.9 The out-of-roundness of welding ends of fittings supplied under this specification shall be determined by the following formula:

$$O = \frac{200 \times (OD \text{ maximum} - OD \text{ minimum})}{(OD \text{ maximum} + OD \text{ minimum})} \leq 0.5$$

Where,

O = Out-of-roundness

OD = Outside Diameter

Said out-of-roundness shall not exceed 0.5.

6.10 The bore of all main pipe of tees supplied under this specification shall be checked by a sphere which shall have a diameter of 0.96 times the specified internal diameter.

6.11 The angle of bend of any fittings covered by this specification shall not differ from the

Reviewed By	Mr. Faiz Ahmed DCM - P&D Transmission	Mr. Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

angle specified, by more than 0.5° and all end faces shall be perpendicular to the center line of the fittings.

6.12 Testing of Completed Fittings

6.12.1 All welds and all repair welds made under this specification shall be inspected by radiographic methods. All surfaces of said welds shall be free from notches, dents, pits, laminations, electrode burns and other defects.

6.12.2 The surface of any extruded outlet of any tee supplied under this specification shall be inspected for cracks by magnetic particle inspection or by the dye-penetration method.

6.12.3 The mechanical properties of all fittings supplied under this specification shall be tested using specimens taken after the last heat treatment operation. For said purpose, all fittings shall be divided into groups consisting of fittings which have undergone the same heat treatment and give the same dimensions, shall be deemed one heat treatment, if the time versus temperature plot are the same. For each such group, the following requirements apply:

6.12.3.1 Two (2) tensile tests of the parent material (a tensile test for elbows) shall be made on transverse specimens to determine yield strength, ultimate strength and elongation at fracture. Said elongation shall not be less than 18%.

6.12.3.2 The yield strength to ultimate ratio shall not exceed 0.85 for any such specimen.

6.12.3.3 A tensile test of any weld shall be made on transverse specimens to determine ultimate tensile strength and elongation which shall not be less than 18%.

6.12.3.4 A set of three impact resistance tests of the parent material and any weld shall be made for fittings of a diameter 250 mm or more. The specimen for said tests shall be transverse specimens.

6.12.3.5 The minimum acceptable toughness measure by said tests which shall be ISO V-notch 1/1 tests at 20°C shall be as tabulated below:

Parent Material		Weld Material	
Mean Value from 3 Tests	Lowest Single Value	Mean Value from 3 Tests	Lowest Single Value
27 Joules	22 Joules	27 Joules	22 Joules

6.12.3.6 If the width of any specimen differs from the normal 10 mm width, then the toughness AvIP measured shall be corrected by using the following formula:

Av = 80 mm² AvIP/Sp

Where;

Sp = Specimen cross sectional area below the notch (mm²).

Reviewed By	Mr. Faiz Ahmed DCM - P&D Transmission	Mr. Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

- 6.12.4 All hot forming operations under this specification shall be made at a temperature between 860°C and 1050°C. Any fittings or components supplied under this specification and formed at a temperature below 850°C shall be normalized. The temperature prior to and during any such hot forming operation shall be controlled accurately. No cold forming operations are authorized under this specification.
- 6.12.5 All Tees supplied under this specification shall have extruded or drop forged outlets and shall be perpendicular to the main pipe axis. Where specified, guide bars for welds shall be welded into any such tees, for branch size 6" and above.
- 6.12.6 Any Reducers supplied under this specification may consist of two welded hot formed parts.
- 6.12.7 Bursting strength of Elbows, Tees and Reducers must equal or exceed computed bursting strength of pipe of the same diameter, wall thickness and material as specified for the flange run of the Tee and reducers as the Schedule refers.
- 6.12.8 Six copies of certificate giving result of bursting strength shall be provided of samples which has been tested in accordance with para 192.149 of ASME Guide for Gas Transmission and Distribution Piping Systems.

**7 STUD BOLTS AND WASHERS**

- 7.1 Alloy steel stud bolts complete with nuts and washers threaded length ASTM A193 Grade B7. Each with two American National Standard heavy hexagonal nuts ASTM A 94 Grade 2H conforming to the dimensions of standard ANSI B18.2.1 and B18.2.2 (latest revision) and two washers.
- 7.2 Studs to have Class 2A dimensions and nuts to have Class 2B. Stud bolt thread series and dimension class as required by ANSI B1.1 (latest revision) diameters 1" and smaller shall be of coarse thread series, 1" and larger diameter shall be of fine thread series as per schedule of requirements.

**8 QUICK OPENING CLOSURES**

- 8.1 Unibolt Cap/QOC shall be butt welded on vertical blowdown stacks. Design factor to be 0.5 and ASME U Stamp is required on Quick Opening Closure.
- 8.2 The cap cover shall have one side hinged and with a single bolt for QOC, the unibolt cap/QOC shall have tight sealing to prevent gas leakage when closed. QOC/unibolt should be installed with the safety interlock mechanism. In the open position, the cover shall not interfere with the blowing-off gas and shall rest with brackets or attachments so as to remain free from sonic vibration.
- 8.3 The cap cover shall not be threaded type and in open position should not be hung or suspended using jib arm above the stack so as to minimize vibration and interference.

Approved By	A/SGM (TS)	A/SGM (Transmission)

SSGC

with the blowing off gas.

8.4 Unibolt cap/QOC shall have weld end, beveled to an angle of  $37\frac{1}{2}^{\circ} \pm 2\frac{1}{2}^{\circ}$  to perpendicular from axis of the cap leaving a land of  $1/16" \pm 1/32"$  for welding to API 5L Grade pipe.

8.5 Unibolt Cap/QOC shall be suitable for (i) 1200 psig operating pressure and shall be hydrostatically tested to 1800 psig (ii) 720 psig operating pressure and shall be hydrostatically tested to 1080 psig (iii) 225 psig operating pressure and shall be hydrostatically tested to 337.5 psig for class rating as given in the schedule of requirement.

8.6 Forged carbon steel to ASTM A 105 or equivalent to be used suitable for welding to API 5L Grade pipe or API 5L X-70. Construction and material shall fulfill the requirements of Code ANSI B 16.9 and ANSI B 31.8 for Gas Transmission and Distribution Piping System.

8.7 Sealing gasket shall be of material resistant to natural gas, methanol, hydrates and hydrocarbons.

8.8 Construction detail drawings of QOC will be submitted by the bidder for purchase review/approval with manufacturer sign & Stamp, make & model with the bid documents.

8.9 Embossed Marking

8.9.1 The identification marks listed above shall be die stamped using rounded dies with type at least 4 mm high. The marked area shall be covered with weather resistant clear lacquer and surrounded with a frame of reflection with paint.

8.9.2 One end of each fitting supplied under this specification shall be marked as follows:

- Manufacturer's Mark
- Project Mark
- Design Pressure
- Material Grade
- Purchase Order Number
- Inspector's Stamp "U-Stamp"

9 SCREWED FITTINGS

9.1 Screwed Fittings (High Pressure)

- Hexagonal heads bull-plugs
- Thread O Lets
- Unions (Integral Steel Seats)
- Elbows
- Swaged Nipple (Seamless, ends welded/threaded as specified in the SOR)
- Tees

Reviewed By	Mr. Faiz Ahmed DCM - P&D Transmission 	Mr. Mehboob Ali Manager (Transmission) 
Approved By	A/SGM (TS) 	A/SGM (Transmission) 

NOT FOR BIDDING PURPOSE

- Insulating Unions with insulating material

9.1.1 The above screwed fittings under this specification shall conform to forged carbon steel materials in ASTM A-105 (latest revision) and 3000 lbs rating or as specified in Schedule of Requirement. The threads shall conform to ANSI standard B 2.1 (latest revision). The dimensions shall be in accordance with ASME B16.11. These screwed fittings shall be supplied as per schedule of requirement.

9.1.2 **Sample**  
Bidder shall submit the sample of the quoted items along with the bid for testing/technical evaluation purpose.

9.2. **Screwed Fittings (Low Pressure)**

9.2.1 **Fitting Size (1/2 inch to 2 inch)**

- Union (Integral Seal Seats)
- Elbow
- Reducing Elbow
- Hexagonal Reducer Bush
- Cap
- Equal Tee
- Socket
- Plug
- Hexagonal Nipple

9.2.2 **General Specific Requirement**

Screwed Fittings (Low Pressure) furnished under this specification shall conform to the requirements of the latest edition of the BS-143 and 156700/ASTM A197 (Latest Edition). Threaded pipe fittings in malleable cast iron or cast copper alloy.

- **Union:** The plain edge union shall have spherical/conical or rubber washer seats.
- **Socket:** The socket shall not have full threads. The socket/coupling should have grip collar or knurled surface.
- **Bush:** The bushing shall have hexagonal head.
- **Exterior Finish:** Fittings materials shall have black finish.

9.2.3 **Technical Requirement**

Pressure Rating and Temperature:

9.2.3.1 Fitting shall be capable to sustain a gas pressure of at least 150 psig without leak or damage and suitable for use in ANSI Class-150 lb gas network.

9.2.3.2 Fittings should be suitable for use in an environment with a temperature range

Reviewed By	Mr. Faiz Ahmed DCM - P&D Transmission 	Mr. Mehboob Ali Manager (Transmission) 
Approved By	A/SGM (TS) 	A/SGM (Transmission) 

between -20°F (-28.9°C) to 150°F (65.5°C).

9.2.4 Threads

9.2.4.1 Pipe threads shall conform to the requirement for taper pipe threads in the latest edition of the British standards taper pipe threads (except dry seal) BS-21.

9.2.4.2 Threads shall have proper depth and shall be free from any discontinuity and distortion.

9.2.4.3 The maximum allowable taper in threads shall not be more than 1 in 16 measured over the diameter.

9.2.5 Identification

Following information shall be permanently marked on screwed fittings.

- At least one of the followings should be embossed on fittings:
  - Trade mark/Manufacturer's logo/Name.
- Size of fittings should be marked on body.
- Schedule/Pressure Class i.e. 150/300/600.

9.2.6 Testing facility (In Case of Local Manufacturing)

9.2.6.1 Vendors/Bidder must have well-equipped testing facility in their premises.

9.2.6.2 A dedicated test Jig /Fixture shall be used by vendors to test leakage of screwed fittings.

9.2.6.3 If required, SSGC representatives shall be allowed to witness vendors castings, forging, machining and testing facility at any time.

9.2.7 Sample Submission

9.2.7.1 Vendors/bidders will provide free of cost (FOC) three set of screwed fittings at the time of sample submission. "The sample shall be properly sealed and packaged in a box with supplier/ vendor name.

9.2.7.2 Material test reports from SSGC approved testing lab/Mill certificate (from manufacturer in English language) must be provided by the vendor/bidder for confirmation of chemical and mechanical properties at the time of submission of samples if required, SSGC may suggest any other accredited lab for the testing during the span of tender. Currently following labs are approved by SSGC.

- People's Steel Mill.
- Karachi Shipyard and Engineering works
- PCSIR
- Mehran University of Engineering and Technology.
- SGS
- Metallurgical laboratories (ML) POF-Wah.

Reviewed By	Mr. Faiz Ahmed DCM - P&D Transmission	Mr. Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

- NED University of Engineering and Technology.

9.2.8 Packaging and Supply

- 9.2.8.1 The screwed fittings shall be supplied in packing of maximum 30 pieces in new carton.
- 9.2.8.2 Screwed fittings must be packed in corrugated cartons with separators and vendor name printed.
- 9.2.8.3 Packaging must ensure to protect the screwed fittings from handling or transportation damages.
- 9.2.8.4 Vendors/bidders must ensure timely delivery of screwed fittings as per procurement plan provided by SSGC.

10 WELD-O-LETS (WOL)

- 10.1 WOL for making integrally reinforced branching outlet on run pipe shall be of forged carbon steel in ASTM A 105 and of Schedule 60/80/120 as specified. The welding end preparation shall be for 2" Nominal Bore, Schedule 60/80/120 branch pipe of API 5L Grade B/X42/X46/X52/X60/X70 as specified in the Schedule of Requirement.
- 10.2 The WOL shall be designed in accordance with ANSI B 31.8 and suitable to fit on the run pipe sizes as specified in the description under Schedule of Requirement.
- 10.3 The dimensional standards and tolerances shall conform to ANSI B 16.9. The weld ability of the material shall be compatible with the run pipe material of API 5L Grade B/X42/X46/X52/X60/X70 as specified in the Schedule of Requirement.

11 CP SET OR FLANGE INSULATION KIT

(CP set or Flange insulation kit with sleeve and two washers)

- 11.1 A Cathodic Protection Set or a flange insulation kit shall protect a flanged joint from corrosion from static currents (by preventing a metal-to-metal contact among flanges, stud bolts, and gaskets). A flange insulation kit consists of one washer for each nut, one full-length insulating sleeve for each bolt, a gasket (type F, E, D, O), and thick plated steel washers for each nut. Types of gasket insulation kits, designated as F, E, D, and O. Each type of flange kit fits flanges with specific faces (RF, FF, and RTJ).
- 11.2 The materials for Cathodic Protection Set or a flange insulation kit are by default, polyethylene or phenolic or as specified in the Statement of Requirement.
- 11.3 Type F gaskets are manufactured from 1/8" thick fabric based phenolic sheet either without coating or a with a nitrile rubber coating on the two faces. Type F gaskets are also available in non-asbestos fibers with high insulation capacity.
- 11.4 Type E flange insulation kits are available in phenolic, neoprene-faced phenolic, and

Reviewed By	Mr. Falz Ahmed DCM - P&D Transmission	Mr. Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

high-temperature materials.

- 11.5 Type "D" insulation kits, fit flanges with ring joint face, as they suit the ring joint groove of RTJ flanges (style R, RX, and BX). Type D gaskets are available in phenolic grade. This type of gasket is also called "API ring joint".
- 11.6 Type O Gaskets feature an extra sealing element on both sides of the device, generally, PTFE, Nitrile or Viton Rubber, and are available in both ring and full face design (type E and F). Type O Gaskets are manufactured with phenolic and G-10 materials.
- 11.7 Each Cathodic Protection Set or a flange insulation kit shall be packed in pizza style box labeled with Purchase Order No., Size, Pressure Rating, Flange Type etc.

**12. WELDING AND NON-DESTRUCTIVE TESTING**

- 12.1 All factory welds shall be made in accordance with the requirements of the American Welding Society and ASME Section VIII, Division I.
- 12.2 Procedure tests covering strength, hardness and toughness shall be made to show the fitness of the welding procedure used for factory welds and shall be made by welders qualified in the procedure used, who have passed an appropriate welder qualification test. All welding operations shall be supervised by a qualified welding supervisor.
- 12.3 All welds shall be inspected visually by the welding supervisor. Welds, welding ends and any repair welds shall be tested by appropriate non-destructive methods to demonstrate to the welding supervisor that all welds, welding ends and repair welds meet the requirements of these specifications.
- 12.4 Without limitation of the generality of the foregoing, all welds parallel to the longitudinal axis of the fittings, and 10% of all circumferential welds shall be inspected by radiographic methods. Each welding end shall be tested by dye penetration methods and each repair weld shall be tested by radiographic or ultrasonic methods. The welding ends of fittings shall be solidly sound and shall not be cause of failure in radiographic examination of the joints with piping.
- 12.5 Defects shall be removed, cleaned and prepared for inspection by magnetic particle or dye penetrant method to verify complete removal of the defect. Weld repair methods shall be in accordance with the approved welding procedures. All weld repairs to pressure containing parts shall be heat treated.
- 12.6 No weld in the body of any valve shall contain any lack of fusion. If feasible, body welds shall consist both of external and internal runs. Each weld shall be smooth and free from cracks. No weld shall contain any major inclusions. The height of the weld above the surface of the parent metal shall not exceed 1/8 inch. Undercuts shall not exceed 10% of the wall thickness or 3/64 inch, whichever is lower. Each welded joint shall be completely filled. No weld shall be thinner than the wall thickness of the parent metal.

Reviewed By	Mr. Faiz Ahmed DCM - P&D Transmission	Mr. Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

- 12.7 Magnetic particle or dye penetrant techniques shall be employed to test:
- Pressure containing components smaller than 2 inch welded to other pressure components.
  - Welds Joining non-pressure components such as lifting lugs to pressure components.
  - Weld build ups such as overlays.

- 12.8 Radiographic, ultrasonic or both techniques shall be used for full volume inspection of:
- Pressure containing fabrication welds for 2 inch or larger components.
  - Weld repair to these components.
  - Major weld repairs to pressure containing components.

12.9 All welded construction shall be annealed if they include wall thickness of 1.20 inch or higher. All cast on fittings irrespective of wall thickness, shall be annealed. The annealing process shall be carried out after all repair welds, if any, have been completed.

12.10 The inner surface of all steel castings shall be inspected by magnetic particle methods after cleaning. Machined surfaces of cast components and seat ring surfaces shall, after machining, be inspected by magnetic particle or dye penetration methods.-All items shall be free of defects.

12.11 Machined surfaces shall be free from inclusions defects in use and rust and finished condition shall be as per acceptable standard.

**13 INSPECTION AND TESTING REQUIREMENTS**

All the fittings shall be inspected and tested for the following as minimum requirement and in accordance with the internationally applicable codes.

- Appearance Inspection (Workmanship).
- Visual Inspection.
- Dimensional Inspection.
- Hydrostatic Test and Leak Test. (If required)
- Functional/Operational Test. (If required)

**14 MARKING**

14.1 The identification markings shall be in correspondence with MSS SP-25, one end of each fitting supplied under this specification shall be marked as follows:

- Purchase Order
- Manufacturer's Mark
- Project Mark

Reviewed By	Mr. Faiz Ahmed DCM – P&D Transmission	Mr. Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

- Size and Pressure Rating
- Material Grade
- Inspector's Stamp
- Traceability number/Sr. Number

14.2 The identification marks listed above shall be die stamped, using rounded dies with type at least 4 mm high. The marked area shall be covered with weather resistant clear varnish and surrounded with a frame of reflection with paint.

### 15. QUALITY CONTROL PROGRAM

- 15.1 The manufacturer shall provide documentation with the bidding documents for the in house quality control program which is strictly adhered to for the production of all manufactured equipment.
- 15.2 This program must adhere to an internationally accepted quality control standard such as ISO 9000 series or API Spec Q1. Failure to provide certification of proof of compliance may result in rejection of the bid.

### 16. DOCUMENTS

16.1 Copies of the following documents shall be submitted four weeks before the delivery of the material:

- Scale drawings with material data.
- Test inspection and material certificates.
- Calculation sheets, Data sheets and diagram.
- Description of manufacturing and test procedures.
- Any deviations from the approved specifications must be approved by the Purchaser.

#### 16.2 Final Documentation

16.2.1 A dossier shall be compiled concurrently with full record of the fabrication, materials, inspection and testing.

16.2.2 All items in the dossier shall be numbered and bound in an A4 four part binder; contents shall include but not be limited to the following (as applicable):

- Front cover sheet detailing:
  - P.O. No.
  - Project Title
  - Equipment Title
  - Equipment Item No.
- Index

Reviewed By	Mr. Faiz Ahmed DCM - R&D Transmission 	Mr. Mehboob Ali Manager (Transmission) 
Approved By	A/SGM (TS) 	A/SGM (Transmission) 

- Purchaser Release Note
- Purchase Order
- A list of all applicable codes, standards and specifications
- All drawings "As-built" - wherever legibility can be preserved, reduced to A3 and folded, where legibility cannot be preserved, drawings to be folded to A4 size and inserted into pre-punched plastic wallets.
- NDT procedures
- All NDT/PWHT/ Hydrostatic/ Performance test reports
- Photocopy of Nameplate
- Material chemical analysis and mechanical test certification
- Final signed quality plan
- Material test certificates
- Mechanical design calculations
- Procedure Qualification Records
- Welding qualification Tests
- Painting inspection certificates
- Manufacturing Data Records (MDR)
- Installation Drawings and Procedures
- Operation and Maintenance Manual
- Schedules of commissioning spare parts

16.2.3 For all above documents, six (06) sets shall be submitted in clearly labeled 4 ring white hard cover binders. All documents smaller and larger than A4 shall be inserted into A4 pre-punched, top-opening plastic wallets with the project document number/title block clearly visible to the front.

### 17 INSPECTION, TESTING AND INSPECTION CERTIFICATE

17.1 The Supplier shall cause inspection certificates to be issued and certified by an inspector of his own quality assurance department appointed for this purpose.

17.2 Each such certificate shall show the results of tests made under these specifications such as tests of the functions of the fittings to be supplied, correct dimensions and shall show the Purchaser's Contract Number/Purchase Order Number/Size/Pressure Rating.

17.3 Both inside and outside surfaces of casting material shall be free from harmful blowholes, fins, seizures of sand scales, sand inclusions and cracks and shall be in accordance with MSS-SP-55.

17.4 Machined surfaces shall be free from injurious defects in use and rust and finished condition shall be as per acceptable standards.

17.5 Dimensional Inspection shall be done by using appropriate measuring instruments.

Reviewed By	Mr. Faiz Ahmed DCM - P&D Transmission	Mr. Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

Dimensional Inspection shall confirm the parallelism, rectangularity and face-to-face dimensions, bore diameter etc. All outline dimensions shall comply with the approved drawings.

**18 SALES TRACK RECORD**

- 18.1 The Bidder shall submit the supporting documents of sales track record for the offered Pipe Fittings including copies of purchase order/satisfactory certificate of five (5) different end users related to Oil & Gas Sector with similar requirement along with their email (e-mail address of end user's company domain and not the commercial domain like Yahoo, Gmail, or Hotmail, etc.), fax, telephone, address and name of persons to contact to whom they have supplied the Pipe Fittings within the last five (05) years and have been successfully constructed and operated.
- 18.2 Simply submitting a list of customers, to whom the manufacturer has been supplying the Pipe Fittings, will not meet the intent and purpose of this requirement. Failure to comply with this requirement may result in rejection of the bid.

**19 RESERVATIONS**

- 19.1 The purchaser shall have the right to witness OR deployment of 3rd Party inspection service at any time of the fabrication, testing and shipment of offered items supplied in accordance with these specifications and to verify compliance with the terms and conditions of the contract Terms of reference (TOR) attached with the bid document.
- 19.2 The supplier shall give due and proper notice of commencements of offered items fabrication and test under these specifications to the Purchaser/Third party inspector appointed by SSGC.
- 19.3 The Purchaser reserves the right to increase, decrease and delete the quantity of all the items given herein the Schedule of Requirement.

**20 PACKING**

- 20.1 Protection against corrosion/deterioration shall be given special attention. Machined steel and iron parts shall be heavily greased/varnished as a preventive measure against rust, and grease where used shall be such that retains its consistency, does not melt at tropical temperature and is acid-free.
- 20.2 All handling, loading and unloading shall be done in such a manner as to minimize mechanical damage. Suitable timber shall be used to protect the joints against damage in transit.
- 20.3 The WPF shall be so packed, transported and stored as to prevent damage prior to delivery. The Manufacturer shall warrant that the WPF will remain clean and dry during transportation and storage until installation.

NOT FOR BIDDING PURPOSE

- 20.4 Chamfers shall be protected by an anti-rust paint or mastic easy to remove.
- 20.5 Packing and crating shall be robust and sea worthy in wooden case.
- 20.6 Weld pipe fittings should not be provided in open palette with plastic wrap.
- 20.7 Stud bolts should be provided in set form with 2 nuts and 2 washer. The packing should be in the form of sets.

### TERMS OF REFERENCE FOR WELD PIPE FITTINGS (FLANGES, GASKET, STUD BOLT WITH NUTS & WASHERS)

TENDER ENQUIRY NO.

ANNEXURE-IV

#### INSPECTION OF WELD PIPE FITTINGS:

Third party inspection will be carried out as per attached Specification compliance sheet to witness the manufacturing process including following:

TPI will monitor/testing the process as well as inspection fabrication / manufacturing process at manufacturer premises.

The following test points mentioned below, are mandatory for TPI and submit report.

1. The butt welding ends of welding fittings shall be machined, consistent with the ends of adjacent pipes and shall be beveled for welding in accordance with figure 14 or 15 Appendix-1 of ASME B31.8. *Annex*
2. Finished ends of fittings shall be free from laminations or other defects and shall be inspected by ultrasonic methods over a length of 25mm from the ends.
3. Radiographic Inspection of all welds and repair welds.
4. Surfaces of weld shall be free from notches, dents, pits, laminations, electrode burns and other defects.
5. All hot forming operations shall be made at a temperature between 860°C and 1050°C.
6. The mechanical properties of all fittings supplied under this specification shall be tested using specimens taken after the last heat treatment operation.
7. A tensile test of any weld shall be made on transverse specimens to determine ultimate tensile strength and elongation which shall not be less than 18%.
8. A set of three impact resistance tests of the parent material and any weld shall be made.
9. The minimum acceptable toughness measure by said tests, which shall be ISO V-notch 1/1 tests at 20°C, shall be as mentioned in Technical Specification Sheet.
10. Where steel stamps are used, care shall be taken so that the marking is not deep enough or sharp enough to cause cracks or to reduce the wall thickness of the fitting below the minimum allowed.

#### Flanges/ Blind Flanges:

1. Dimensions as per Table-1 of ASME B16.5 to be verified.
2. Flanges above NPS 24" shall be procured according to ASME B16.47 Series A.
3. Flange facing, bolting & gaskets requirements must be in compliance with clause 831.2 of ASME B31.8.

MTC's according to heat numbers shall be provided for each flange.

### TERMS OF REFERENCE FOR WELD PIPE FITTINGS (FLANGES, GASKET, STUD BOLT WITH NUTS & WASHERS)

ANNEXURE-IV

TENDER ENQUIRY NO.

5. It is imperative that the gasket and groove sealing faces are free from indentations, score marks, tool/chatter marks and other imperfections. The surface finish of the gasket and groove sealing faces is also critical and should not exceed the following: Style R and RX 63 micro inches Ra maximum (1.6 micrometer Ra) Style BX 32 micro inches Ra maximum (0.8 micrometer Ra).
6. Flange facing shall be as follows:
  - Class 150lb to 400lb – Raised face serrated finish Ra 3.2 to 6.3um.
  - Class 600lb to 2500lb – Ring type joint.
7. For austenitic and duplex stainless steel ring joint flanges, spectacle blinds, spades and spacers, the ring groove shall have a minimum hardness as follows:
  - Austenitic SS: 160HR
  - Duplex SS: 200HR

#### Butt Weld Reducers, Elbows, Caps & Tees:

1. MTC's according to heat number shall be provided for each fittings.
2. Fittings shall be dimensionally in accordance with ASME B16.9, ASME B16.11, and MSS SP-97 and BS 3799 as applicable.
3. The surface of any extruded outlet of any Tee shall be tested for crack by magnetic particle inspection or Dye penetration method.
4. Fitting dimensions, End preparation and Test procedure shall be accordance with clause 6, 8 & 9.3 of ASME B16.9.
5. Butt weld fittings shall have ends beveled in accordance with ASME B16.25 Fig 2a or 3a.
6. Threaded fittings shall be supplied with ends threaded NPT in accordance with ASME B1.20.1.

#### Butt Welded Induction Bends:

1. Inspection of Bends shall be conducted according to section 13 of ASME B16.49.
2. Certified Material Test reports shall be furnished with the requirement mentioned/stated in Section 14 of ASME B16.49.
3. Supplementary requirements as per section SR.15 of ASME B16.49 may be applied as required.

#### Weldolets/Threadolet:

1. Forged branch fitting shall meet the requirement of MSS-SP-97 and ASME B31.3 and have applicable burst test certification.
2. Swage Nipples shall comply with BS 3799.

**UNDERTAKING OF COMPLIANCE WITH INTEGRATED MANAGEMENT SYSTEM (IMS) MANUAL AND BLACKLISTING MECHANISM**

I, \_\_\_\_\_ [Supplier's Authorized Representative Full Name], of \_\_\_\_\_ [Supplier Company Name], with principal \_\_\_\_\_ office \_\_\_\_\_ located \_\_\_\_\_ at \_\_\_\_\_ [Full Address], do hereby solemnly affirm and declare as follows:

1. That I am the duly authorized representative of \_\_\_\_\_ [Supplier Company Name], and have the legal authority to make this declaration on behalf of the company.
2. That I confirm having accessed, read, and fully understood the Integrated Management System (IMS) Manual provided by Sui Southern Gas Company Limited (SSGC), available at the official website: <https://www.ssgc.com.pk/web/wp-content/uploads/2025/06/IMS-Mannual-1-1.pdf>
3. That \_\_\_\_\_ [Supplier Company Name] agrees to comply fully with all the policies, procedures, and responsibilities outlined in the IMS Manual, and will ensure that all relevant employees, contractors, and agents are made aware of and comply with the same.
4. That \_\_\_\_\_ [Supplier Company Name] acknowledges that failure to comply with the IMS Manual may result in corrective action, including but not limited to financial penalties as per SSGC policy and suspension or termination of business with Sui Southern Gas Company Limited (SSGC).
5. That the bidder has also read, understood, and accepted the Blacklisting Mechanism of Sui Southern Gas Company Limited (SSGC), available at: [https://www.ssgc.com.pk/web/wp-content/uploads/2024/09/blacklisting\\_mechanism\\_2024.pdf](https://www.ssgc.com.pk/web/wp-content/uploads/2024/09/blacklisting_mechanism_2024.pdf)
6. Any type of violation of the tender terms and conditions or performance will result in the enforcement of the Blacklisting Mechanism, which will be dealt with in accordance with the Blacklisting Rules/Mechanism.
7. This affidavit is made in good faith and for the purpose of affirming our commitment to health, safety, environmental standards, and compliance with the Integrated Management System (IMS) Manual and the Blacklisting Mechanism of Sui Southern Gas Company Limited (SSGC), as well as all other applicable policies and procedures of SSGC.

Signed at \_\_\_\_\_ [City] on this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_.
